Find your Future

We have a wide variety of programs available to international students that will prepare you for a career in various industries. Programs vary in duration from 8 months to 3 years.

All programs require completion of Manitoba Grade 12 or equivalent and the specific admission requirements. If you completed your education outside of Canada, visit **assiniboine.net/admissionrequirements** to find the equivalent credentials for your country.

English is the language of instruction at Assiniboine. All applicants educated outside Canada or from countries not on the test-exempt list must meet the English language proficiency requirement.

Visit **assiniboine.net/elp** for specific language requirements by program.
