Cargill's Agricultural Supply Chain – North America (CASC NA) connects agricultural producers to food, feed and industrial customers through a seamless supply chain. We help our customers compete in the global market and efficiently deliver products from origins to destinations through our marketing, sourcing, originating, storing, trading, consulting and processing of grain, oilseeds and crop inputs products and solutions. CASC NA business reaches across Canada, United States & Mexico with an expansive asset footprint including over 200 grain elevators, export/import facilities, oilseed crush plants, biodiesel facilities, and crop input facilities.

### Position Overview:

As a **Seasonal Operations Student** you will work at one of our Grain and Crop Input location across Canada for scheduled day, evening and weekend shifts. You will be responsible for housekeeping activities and production tasks, such as shipping and receiving bulk fertilizer and crop inputs, operating a bobcat and forklift, product farm deliveries, loading rail cars, unloading grain trucks, yard duties, and others as assigned.

This is a position lasting from 3-16 weeks, based on location and production needs.

### Locations:

Ontario: Harriston, Melbourne, Clinton, Talbotville, Princeton, Tilbury, Shetland

Manitoba: Winkler, Dauphin

Saskatchewan: Balcarres, Raymore, Unity, Rosetown

Alberta: Leduc, Viking

This position will remain open until all locations are filled and applications will be reviewed as they are submitted.

### Qualifications:

- Currently pursuing a bachelor's degree or diploma
- Excellent customer service and teamwork skills
- Basic computer skills
- Ability to perform physical tasks that require climbing, lifting, pushing, and pulling
- Ability to work from heights and in varying climate and environment conditions
- Ability to work scheduled day, evening and weekend shifts when required
- Valid Canadian driver's license with a clean driving record and the ability to operate a vehicle
- Must be legally entitled to work for Cargill in Canada
