

Program Coordinator

Comprehensive Health Care Aide Program
School of Health & Human Services
Full-time term (August 2017-June 2019)
Competition# 16-17/18
Salary range: \$71,908 - \$91,086
Education Administration Consultant

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. The School of Health & Human Services is looking for someone with the drive and determination to coordinate the successful delivery of our Comprehensive Health Care Aide (CHCA) program at various locations throughout Southwestern Manitoba.

Be Passionate.

With your years of diverse experience in the nursing profession, you will be passionate about health care education; ready to ensure student success and engagement in the CHCA program. Coordination responsibilities include providing leadership on program delivery, curriculum content, practicum coordination, student policies and enrolment. You will liaise with industry, indigenous community representatives and funding agencies.

Take Initiative.

You are independent and self-motivated. Your energetic attitude and collaborative spirit will build the groundwork for successful CHCA programing. In addition, you possess the experience, drive, and determination to further our relations with industry partners.

Deliver Results.

To deliver quality results, you must have current experience within the health industry, hold a valid active nursing licence, and be able to establish collaborative relationships. You have strong interpersonal communication, public relation and written communication skills, value being part of a dynamic team and will be an ambassador for the college. Successful student recruitment and selection for health programs will be part of the measured results while ensuring all requirements of course development and timetabling throughout the province are met. If you subscribe to the values above, hold an active and relevant nursing credential with several years of current industry experience, we want to hear from you!

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
