Coordinator, Clinical Placements

School of Health & Human Services

Full-Time Regular

Winnipeg or Brandon

Competition # 40-17/18

Salary: \$65,913 to \$82,386 per annum

Program Coordinator Extension Services 2

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement.

Be Passionate.

You are passionate about nursing education and ensuring student success and engagement through clinical experiences in various health care areas throughout the province.

Take Initiative.

You are independent and look for opportunities for relevant clinical experiences in health care facilities and community services for Practical Nursing Students. Self-motivation and being highly organized is critical for this role and your energetic attitude and collaborative spirit will continue and further our relations with our health care partners.

Deliver Results.

You have the drive and determination to continue organizing the successful clinical practicum experiences for Practical Nursing Students at our campuses located across Manitoba. An ability to establish collaborative relations with our educational partners and placement contacts is essential. Being able to work with electronic scheduling software and the ability to organize appropriate learning opportunities in clinical health care areas is a crucial part of the job. You will be part of a dynamic team and an ambassador for the college in the larger community.

If you subscribe to the values above, hold an active and relevant nursing credential and have several years of current industry experience, we want to hear from you. To support the colleges vision of “Exceptional Learning Experiences”, this position may be located in Winnipeg or Brandon. Please express in your application which campus you would prefer to be located.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
