Salary: \$57,742 to \$85,771 annual

(Educational Supplement: Master's Degree \$2,725, PhD \$5,450 per annum)

Instructor

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement.

Be Passionate.

We are looking for someone who is passionate about Agricultural Equipment and Heavy Duty Equipment Technician Apprenticeship and pre-employment programs, who is looking for an opportunity to teach and pass on your knowledge and passion for the trade.

Take Initiative.

You will be ready to take initiative and prepare students for productive entry-level roles in the industry. Students gain a significant advantage in securing employment or entering the apprenticeship stream after attending Assiniboine Community College. Instructors provide students with a solid understanding of the fundamentals of the trade through training in the classroom and hands-on experience in our shops where students work on real equipment.

Deliver Results.

You will hold Red Seal certification in Agriculture Equipment (Farm Mechanic) or Heavy Duty Equipment, combined with several years' broad trade equipment experience including a sound knowledge of engine and emission system repair, power trains, electrical and electronic system diagnosis and general equipment repair. Excellent communication, organizational and team work skills are essential. Experience teaching adults is desirable. Knowledge of Microsoft Office and industry specific computer software is essential. Preference may be given to individuals holding multiple certifications.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
