**Program Coordinator
Practical Nursing Program
Peguis, MB**

Part-time, Term

Competition # 58-17/18

Salary: \$38.02 to \$48.16 hourly

Education Administration Consultant

Assiniboine Community College strives to create Exceptional Learning Experiences for its students. The college places a high priority on student success and is committed to building an environment that creates and supports a high level of student engagement. We are committed to contributing to First Nation, Metis and Inuit prosperity by having the highest college participation rate in the province.

Be Passionate.

With your years of diverse experience in the nursing profession, you will bring passion about nursing education; ensuring student success and engagement in the Practical Nursing program. You will coordinate the delivery of the practical nursing program Peguis that will be delivered through contract training. Coordination responsibilities will include providing leadership on program delivery, curriculum content, practicum coordination, student policies, report writing and enrolment. You will also liaise with industry, indigenous community representatives as well as funding agencies.

Take Initiative.

You are independent and self-motivated for this role and your energetic attitude and collaborative spirit will build the groundwork for success. In addition, you possess the experience, drive, and determination to further our relations with our Indigenous partners.

Deliver Results.

You have the drive and determination to ensure the successful delivery of our Practical Nursing programming. To deliver quality results, you must be current with the health industry in Manitoba and be able to establish collaborative relationships. You have strong interpersonal communication, public relation and written communication skills and value being part of a dynamic team and an ambassador for the college in the larger community.

If you subscribe to the values above, have relevant education/training, hold an active and relevant nursing credential and have several years of current industry experience, we want to hear from you.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
