Program Coordinator Extension Services 2

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. The School of Health & Human Services is looking for a Clinical Placement Coordinator who will be responsible for finding clinical placement opportunities for our students.

Be Passionate.

You are passionate about nursing education and know that finding engaging clinical placements contribute significantly to student's success. You are passionate about connecting with people, which will make it easy for you to connect with health care facilities in the Winnipeg region, creating positive and lasting relationships with our stakeholders throughout the province.

Take Initiative.

You are independent and look for opportunities for relevant clinical experiences in health care facilities and community services for practical nursing students. Self-motivation and being highly organized is critical for this role, your energetic attitude and collaborative spirit will continue to further our relations with our health care partners.

Deliver Results.

If you subscribe to the values above, hold an active and relevant nursing credential and have several years of current industry experience, we want to hear from you.

Your ability to establish collaborative relations with our educational partners and placement contacts will be essential. Experience using electronic scheduling software and organizing appropriate learning opportunities in clinical health care settings is an asset. You will be part of a dynamic team and an ambassador for the college in the larger community.

This competition will remain open until filled.
