

## Student Success Advisor

Brandon, Manitoba

Full-time Regular

Competition# 81-17/18

Salary Range: \$58,915 - \$73,686 per year

(Guidance Officer 1)

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement.

Student Success Advisors are part of a strong academic team, working to provide student academic advising and coaching (individually and in groups) which includes the interpretation, accurate communication and maintenance of all academic and College program regulations and requirements within the College.

### **Be Passionate.**

You will be passionate about helping students identify and understand their aspirations and aptitudes and will coach students to define and refine strategies for academic success. Student Success Advisors support students to define and refine their academic and career goals, help students take advantage of their prior learning experiences and support students to identify their most effective and efficient route to academic success, program completion, and future career aspirations.

### **Take Initiative.**

You will identify, develop and implement strategies to assist, coach, support and retain students within the College programs. You will encourage student persistence and success through effective transition to the college learning environment and help students address hurdles that are hindering their success. You will maintain direct contact with students, supporting students as they resolve student issues that occur in and out of the classroom environment, providing available resources, assessing need, coaching students experiencing academic difficulty and developing student action (success) plans.

### **Deliver Results.**

You will have a passion for student success, a degree in a relevant field supplemented with training and experience in an educational setting. You will demonstrate a strong understanding of standardized testing and academic assessment. You will have experience working with Indigenous students, international students and students with disabilities. You will have experience in group facilitation and classroom presentations. You will be a strong communicator who enjoys working in a solutions-focused academic team environment, where you strive to lead change and understand the personal and academic needs of college students.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
