

We believe...

- That children are a gift from the Creator.
- That our children have a right to live proudly as Indigenous people in the lands of their ancestors.
- That each child is part of what makes a community whole.
- That adults are community role models who are to teach children how to live a good life.
- That children acquire knowledge by watching, listening and doing, and adults are responsible for encouraging and guiding them in all those activities.
- That children have a right to enjoy the opportunities that education offers.
