Assiniboine Community College strives to create Exceptional Learning Experiences for our students. The college places a high priority on student success and is committed to building an environment that creates and supports a high level of student engagement. In addition to on-campus training, the School of Trades, Technology and Access Programs partner with First Nation communities to deliver on-site Carpentry training. These positions will be working in Peguis on the Peguis First Nation.

**Be Passionate.** If you are enthusiastic about the Carpentry trade and feel you are ready to share your knowledge with others, this may be the right fit for you. Students enjoy hands-on experiences, which goes along with our “learn by doing” philosophy. You will prepare students to enter the Carpentry Trade by engaging them in a variety of intriguing lessons with a broad mix of industry fundamentals.

**Take Initiative.** Instructors of Assiniboine Community College provide exceptional learning experiences for students. We achieve this through in-class lectures, in-shop demonstrations and projects, and by keeping the program current with industry standards. Our instructors provide leadership and mentoring to our students.

**Deliver Results.** To deliver results, you will have at minimum an inter-provincial (Red Seal) Journeyperson Carpentry certification combined with several years of current and varied industry experience. Excellent communication, teamwork and computer skills are essential. Experience teaching in an adult environment and working with Indigenous communities is an asset.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
