GREENVALLEY EQUIPMENT INC.

Greenvalley Equipment – Killarney Location is hiring full-time Technician positions

As a technician, you will service, repair and complete maintenance work on John Deere equipment as well as other customer and/or dealer-owned equipment. We are looking for an experienced technician with proficiency in working with hydraulics, electronics and strong in diagnostic skills. This is an opportunity to work on leading industry equipment.

Preference in hiring Heavy Duty Red Seal Technicians. Technicians with applicable apprenticeship training in related fields may also be considered. This is a full time permanent position.

An extensive employment package is offered to full time team members that includes: competitive wage, ongoing training opportunities, comprehensive benefits package and the opportunity to participate in a company pension plan. GVE is supportive of the Apprenticeship program and willing to enroll technicians subject to criteria being met.

If you are hardworking, have a willingness to learn, team oriented, and see the value of providing exceptional customer service, we look forward to hearing from you. Only those applicants asked for an interview will be contacted.

Applications will be considered until positions are filled.

Applications can be submitted by
