

SUMMER STUDENTS 2019

Shur-Gro Farm Services is an independent agricultural input retailer. We supply crop nutrition and protection products as well as custom application and consulting services to our customers. We have thirteen locations in Manitoba and we are looking to add exceptional people to our summer agronomy staff. These positions offer an excellent opportunity for the applicant to gain experience in numerous aspects of the agriculture industry. Experience is an asset, but not required. Our success depends on the quality of our people. We offer a very competitive compensation package, and a healthy work environment that fosters professional growth.

Key areas of Duties:

- Assisting with crop input retail activities, including fertilizer blending, crop protection and seed shipping and receiving, and on farm deliveries.
- Excellent Customer service.
- Consistently develop knowledge of new products in crop protection, fertilizer, and seed technologies.

Qualifications:

- Ambitious, organized and detail oriented.
- Strong communication and interpersonal skills.
- Agriculture Degree or Diploma Program or students who are interested in working in the agricultural industry.
- Agriculture background is considered an asset but not required.

If you share our passion for crop production and customer focus, please consider this opportunity. Shur-Gro has an industry reputation for operating with integrity, an unprecedented record of staff retention, and a winning-team philosophy.
