## Citizenship

Preference will be given to Canadian Citizens (see definitions below)

A **Canadian citizen** is a person who is **Canadian** by birth or who has applied for **Canadian citizenship** through **Citizenship and Immigration Canada** and has received a **citizenship** certificate.

A **permanent resident** is someone who has been given **permanent resident** status by immigrating to **Canada**, but is not a **Canadian** citizen.

A **Canadian work permit** is a temporary resident **visa** issued by Citizenship and Immigration **Canada** to grant permission to foreign workers seeking to engage in employment in **Canada**.

A **study permit** is a document that gives you permission to **study** and remain in **Canada** on a temporary basis.

### Please submit by email to:

Sandi Beaudette, HR, Administrative Specialist, [sandi.beaudette@canada.ca](mailto:sandi.beaudette@canada.ca)

- cover letter,
- resume
- proof of COOP Status
- **Job poster ID: BRDC 001/2019**

## CONDITIONS OF EMPLOYMENT

### Reliability Security Clearance

- ❖ Known allergies must be controlled through use of protective mask and/or medication and must not impinge on tasks to be performed
- ❖ Valid Provincial drivers licence
- ❖ Ability to work outside in varying weather conditions
- ❖ Must be able to walk, bend and stand for part/most of working day
- ❖ Willingness and ability to travel to Research Plots if necessary

Please be aware that the Saskatoon Research Centre does not have public transportation access to the facilities nor housing accommodations (housing can be hard to find). You will be required to find a place to live and transportation to the Centre.

**You will be required to pay your own relocation.**
