

Job Opportunity

Seasonal Nanny

April to September/October

We operate a cattle and grain farm near Redvers, SK and are currently seeking a responsible individual to provide care for two children age 7 and 9.

Position Summary

Childcare duties will involve lots of outdoor play, going to the local swimming pool, playing board games, reading, looking for minnows in the creek, quading, biking, playing baseball or soccer.

In addition to childcare, duties such as cooking, cleaning, and laundry will also be required. We would be very gracious to have an individual to perform additional duties around the farm and household while children are at school.

The Applicant Must Be:

Motivated, caring, and enjoy outdoor activities with kids.

Have good organizational and prioritizing skills.

Hold a valid driver's license.

Be open to flexible hours.

Have a farm background (not necessary but would be an asset).

Wage

Negotiable based on experience.

Additional Information

Living quarters are available but live in is not required.

Please offer a current resume and include a minimum of two references. Also indicate availability and do not hesitate to call for more information regarding this position.
