

Little Saskatchewan River Conservation District

Summer Employment Opportunity

WATERSHED TECHNICIAN ASSISTANT, OAK RIVER, MANITOBA

(Seasonal, May to August)

Little Saskatchewan River Conservation District is dedicated to the adoption of sustainable practices that enhance quality of life and build sustainable communities through integrated land and water management. Our employees enjoy opportunities to learn and implement new skills.

In collaboration with the Resource Technician, the Watershed Technician Assistant gains experience in the delivery of land and water stewardship programs for landowners, residents, and municipalities.

Key responsibilities include:

- Delivery of programs such as shelterbelt planting, well water testing and abandoned well sealing
- Engaging with the public
- Collecting GPS data and creating maps using GIS

Successful candidates will possess:

- Oral and written communication skills
- Awareness of conservation and farming practices
- Post-secondary education in a natural resources field
- A valid Class 5 driver's license
- Be between 16 and 30 years' old
