

JOIN OUR TEAM!

Broadband Installation & Repair Technician, Full Time (Southwestern, MB)

WESTMAN COMMUNICATIONS GROUP is seeking applications from energetic, highly motivated individuals to become part of our team. Westman is a successful, fast-paced and dynamic organization, with a positive, team-oriented work environment. We offer competitive compensation including a comprehensive and unique benefits package. Leverage your knowledge with a local technology leader.

Key Responsibilities

- Residential and commercial installations of broadband equipment and services
- Maintenance and repair using advanced test equipment
- Positive interaction with customers regarding equipment and services
- Perform all work in accordance with quality control guidelines and company policies and procedures

Qualifications

- Analytical ability and technical aptitude
- Electronics/electrical wiring background preferred
- Demonstrated ability to work with the public, in a customer focused environment
- Effective communications skills are required
- Must be a good team worker and have a strong work ethic

Position location(s): We currently have this position available in various communities that we are serving in the Westman region. Please contact us (below) for information on available areas.

Deadline for applications: There is currently no closing date for this posting as recruitment is ongoing for the position. As an equal-opportunity employer, we encourage applications from all qualified individuals. While we thank each applicant for their interest, only selected candidates will be contacted.

HOW TO APPLY: When applying for this position, ***please reference the position title in the subject line and/ or the body of the e-mail and/ or cover letter.***

Please submit your cover letter and resume to:
