Continuing Education Instructors Agriculture Extension - Pesticide Certification

Casual – Weekdays

Competition #78-18/19

Employment Agreement Rate

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. We are looking for an individual or individuals able to provide instruction for pesticide certification tutorial workshops. Our workshops are held in Winnipeg and Brandon, and occasionally across Manitoba. Workshops are held monthly throughout winter and spring (generally December to May) and as needed throughout the year.

Be Passionate.

Do you have experience applying pesticides and planning pesticide application? Do you have application experience in multiple categories? Are you a certified applicator? Have you ever worked in the retail sales of pesticide? Do you have experience or interest in adult education? Have you worked in agriculture extension? If so, you may be the right person to instruct our pesticide certification tutorial workshops.

Take Initiative.

We are looking for people who love to communicate, want to share their knowledge and are committed to creating exceptional learning experiences for our students. We need people to present our existing pesticide workshops to clients and facilitate instruction in lecture format or one on one as needed, while maintaining a positive learning environment and remaining sensitive to equity groups. We're also looking for knowledgeable creative people who will update and add content to our workshops as needed.

Deliver Results.

If you are up to the challenge of creating a truly remarkable experience for our students and our community then we look forward to your application. We will also be establishing an on-going eligibility list for future vacancies.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
