Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. The School of Health & Human Services is currently seeking an Instructor for our Comprehensive Health Care Aide program in Brandon.

Be Passionate. You will be an engaging and forward-thinking Instructor, ready to share your passion and knowledge of the profession with our students in the Comprehensive Health care Aide program. Enthusiasm that can be applied to classroom management, student evaluation, academic advising and related administrative duties are essential.

Take Initiative. You will be someone who loves to communicate and is ready to share your knowledge of the health care field with our students. Your comprehensive understanding of what it takes to be an effective member of the healthcare team will be inspirational to our students and will contribute to our goal of creating unparalleled student experiences.

Deliver Results. You will have a valid nursing license, complimented with relevant education along with significant industry experience in a variety of healthcare settings. You will be ready to deliver quality programming as a result of your highly developed communication skills, strong organizational skills, and ability to work effectively as part of a team. Teaching experience in an adult environment is highly desirable, experience using Moodle an asset. You will have strong computer skills, particularly in Microsoft Office.

If you are up to the challenge of creating truly remarkable experiences for our students and our community then we look forward to your application.

This competition will remain open until the position is filled.
