Position Application: [Sales Summer Intern 2020- CAN00644](#)

Internships at Cargill:

Imagine an internship where you get the chance to apply knowledge gained in the classroom to a real-life environment and then multiply that tenfold. From day one, you will be an integral part of the team. Internships are 16 weeks long, and we pride ourselves on having one of the most diverse internship programs in the industry. During the internship, you will tackle real challenges, cultivate your curiosity, have client exposure, enjoy both personal and team accomplishments and have your initiative acknowledged along the way. You will collaborate and build relationships with colleagues and clients who represent diverse work, culture and resolution styles. We look for people who want to grow, support, think and produce.

Sales Summer Intern:

Cargill Global Edible Oils Solutions – Specialties (GEOS-S) is a producer of canola seed and is a manufacturer of high oleic canola oils and sunflower oil serving the grower/farmer, food ingredient, and food service segments. GEOS-S operates 10 facilities including office locations in the US, Canada and Australia. You will work with the Territory Manager to promote our Victory and Invigor Health hybrids and ensure high quality production of specialty canola within an identity preservation system. You will be working with progressive growers in the industry from diverse areas who are concerned with keeping on the cutting edge of agriculture now and into the future. You will really get a chance to see what it's like to be a part of value-added marketplace within agriculture.

Internship Programming:

- Internships are paid and are at least 16 weeks in duration.
- Day-to-day transportation to and from work is the responsibility of the intern.
- Interns who demonstrate exceptional performance and a curiosity to learn more may be offered a full-time position for the following year.

Job Locations:

- Regina, SK,
- Aberdeen, SK,
- Camrose, AB,
- Brandon, MB
- Frequent travel within assigned region for meetings with customers, prospects and other Cargill personnel. You must have a safe driving history; a motor vehicle record history will be reviewed.

Required Qualifications:

- Currently pursuing a Bachelor's degree or diploma from an accredited program in an Agriculture-related field and graduating between December 2020 and May 2022

- Must be legally entitled to work for Cargill in Canada
- Must hold a valid Canadian driver's license and clean driving record
- Comfortable working in an outdoor environment with extensive travel
- Demonstrated ability to work effectively with individuals from diverse backgrounds and cultures
- All candidates must be geographically flexible and willing to relocate for an internship opportunity anywhere in the Canada.
- Able to complete a 16-week internship May - August 2020
- Must possess a high degree of initiative and resourcefulness in completing work with limited guidance

Preferred Qualifications:

- Experience in Agriculture
- Previous agriculture sales, research and/or farm experience and knowledge of crop production and canola agronomy
