

PEOPLE MAKE IT HAPPEN.

Instructor, CHCA (Comprehensive Health Care Aide)

School of Nursing
Full/Part-Time, Term & Casual (April 20/26 to Oct 23/26)
Stonewall, MB
Comp #50-25/26
Salary: \$65,184 to \$102,262 annually (\$34.58 to \$54.25 hourly)
(Educational supplement: Masters \$1.60/hour, PHD \$3.19/hour)

For over 60 years, Assiniboine College has been providing exceptional learning experiences, while transforming lives and strengthening Manitoba through applied education and research. Our future success rests on our ability to develop a sustainable Thriving Workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: Creativity, Collaboration, and Courage.

As an Instructor in our Health Care Aide program, you will play a vital role in shaping the future of Health Care Aide education. Reporting to the Chairperson or Program Coordinator, you will develop and deliver curricula, evaluate student performance, and engage in various administrative functions. You will also support college promotion, student recruitment, student placement, and industry liaison.

Key Responsibilities:

- ▶ Instruct students in classroom, laboratory or shop settings, and provide academic assistance.
- ▶ Develop and modify course objectives, course outlines, curricula and evaluation procedures.
- ▶ Maintain all course-related records including evaluations and attendance and submit required information.
- ▶ Prepare and organize course materials and learning resources.
- ▶ Share passion and knowledge of the nursing profession with students.
- ▶ Apply enthusiasm for classroom management, student evaluation, academic advising and related administrative duties.
- ▶ Stay well-informed about the role of the CHCA, scope of practice and other regulatory requirements

Qualifications:

- ▶ Relevant post-secondary nursing education and significant industry experience in acute care.
- ▶ Experience teaching in an adult environment is highly desirable
- ▶ Experience teaching (theory, lab, and clinical) and experience using Moodle an asset.
- ▶ Hold current registration in good standing with their Manitoba-based regulatory body.
- ▶ Hold nursing credential (BN, RN, RPN, LPN), a relevant degree and current nursing experience.
- ▶ Solid understanding of program and curriculum development, Indigenization and decolonization of curriculum, classroom instruction, assessment and evaluation, student advising and group facilitation.

PEOPLE MAKE IT HAPPEN.

- ▶ Well-developed technical skills, particularly in Microsoft Office, highly developed communication skills, strong organizational skills, and ability to work as part of a team.

This competition will remain open until the position is filled.

Discover full details about the position in the attached Job Description.

Why Join Us?

Join a collaborative and inclusive workplace that values teamwork, creativity, and leadership. We invest in employee growth through professional development and succession planning, support wellness and resilience, and encourage our people to lead boldly in shaping Manitoba's future.

Commitment to Diversity:

Assiniboine College is committed to creating a barrier-free environment that emphasizes the value of diversity and promotes full participation. We welcome applications from all qualified candidates who are legally entitled to work in Canada, including Indigenous peoples, persons of all abilities, members of visible minorities, all genders, and sexual orientations.

How to Apply:

If you are interested in this career opportunity, please email your resume and cover letter with reference to this competition to careers@assiniboine.net. We thank all applicants for their interest; only those selected for further consideration will be contacted.

For accommodations or alternative formats, contact careers@assiniboine.net or 204 725 8729.
