For over 60 years, Assiniboine College has been providing exceptional learning experiences, while transforming lives and strengthening Manitoba through applied education and research. Our future success rests on our ability to develop a sustainable thriving workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: creativity, collaboration, and courage.

As an Early Childhood Education faculty at Assiniboine College, you will design, deliver, and evaluate curriculum that reflects current industry standards and supports diverse learners in inclusive, engaging environments. Using innovative teaching strategies and educational technologies, you'll foster accessibility, critical thinking, and skill development while guiding students in integrating theory and practice. Beyond the classroom, you'll contribute to program planning, student advising, and industry engagement, all within a college committed to equity, sustainability, and innovation.

Key Responsibilities:

- ▶ Inspire and engage learners by sharing your expertise and passion for early childhood education, creating dynamic classroom, lab, and clinical experiences that prepare students for real-world success.
- ▶ Design, develop and deliver curriculum and learning resources that reflect current industry standards, regulatory requirements, and diverse learner needs.
- ▶ Assess student performance and provide timely feedback, while offering academic guidance and mentorship to support professional growth.
- ▶ Leverage educational technologies and the College's learning management system (LMS) to deliver accessible, interactive, and student-centered learning across in-person, online, and blended formats.
- ▶ Collaborate with colleagues and industry partners to enhance programs, promote innovation, and create opportunities for student placements and community engagement.
- ▶ Model professionalism and uphold College values, including equity, sustainability, Indigenization, and innovation, through teaching, advising, and participation in institutional initiatives.

Qualifications:

- ▶ Manitoba ECE III designation
- ▶ Significant industry experience that enables you to effectively provide instruction in one or more of the following areas: child development, children's special needs, communicating with children with varying disabilities, and vulnerable children and/or families, nutritional meal planning and practicum supervision.

- ▶ Experience working with newcomer and/or EAL (English as an Additional Language) individuals considered an asset.
- ▶ Experience teaching in an adult environment is highly desirable
- ▶ Experience teaching and experience using Moodle an asset.
- ▶ Solid understanding of program and curriculum development, Indigenization and decolonization of curriculum, classroom instruction, assessment and evaluation, student advising and group facilitation.

This competition will remain open until the position is filled.
