

## Checklist for Students in Manitoba during COVID-19 pandemic

### **Will you remain in (never leave) Manitoba during the COVID-19 pandemic?**

- ☐ Use only the “All Students” checklist under International Students/Accepted Students on the college website.
- ☐ Self-monitor health; see information about symptoms [here](#). If you have symptoms of COVID-19, contact the public health office in your city/town to ask about testing.

### **Will you leave Manitoba at any time during the COVID-19 pandemic?**

- ☐ You could be required *by Canadian or Manitoba law* to “quarantine” (also called “self-isolate”) for 14 days. See [here](#) for the Canadian requirements and [here](#) for the Manitoba requirements.
- ☐ On the college website, use the checklist related to where you travel: to another province of Canada, or outside of Canada.
- ☐ *Also* use the “All Students” checklist under International Students/Accepted Students on the college website.
- ☐ Self-monitor health; see information about symptoms [here](#). If you have symptoms of COVID-19, contact the public health office in your city/town to ask about testing.
- ☐ *The college strongly suggests you do NOT leave Manitoba in the month before classes start.* If you leave Manitoba, and then must quarantine for 14 days when you return, you will miss some on-campus classes. If you miss on-campus classes, you could lose marks and even fail courses. If there is an emergency, please contact your program Chair or Student Success Advisor *before* you leave to discuss your courses.
