Welcome to Comprehensive Health Care Aide!

If you're caring, compassionate and respectful to people of all ages and cultures, then you'll enjoy a career as a health care aide.

If you're driven to make a lasting difference in people's lives, Assiniboine's 24-week Comprehensive Health Care Aide (CHCA) program prepares you for a challenging and fulfilling career in health care. Through your course work and clinical practicum experiences, you will learn new things about yourself. You will be surprised to discover many other skills you possess, and you will gain the confidence to work in front of a group and develop your creative flair.

CONSIDER THIS ABOUT A CAREER AS A CHCA:

- ✓ You will work in a variety of settings or positions (hospitals, personal care homes, group homes, community health, schools, and private health care agencies)
- ✓ Always in the "public eye"-- clients, peers and supervisors evaluate your work
- ✓ Requires well-developed interpersonal communication skills
- ✓ Good pay -- Exposure to illness -- Shift work
- ✓ Need to work cooperatively with other human service agencies to provide care to clients
