**NOTE:** Master Gardeners in training are required to work within a horticulture-based organization and not independently, unless the activity has been approved. It is strongly suggested that interns will be better prepared to become a Master Gardener if volunteer hours include a variety of activities. All of your hours should benefit the community through a combination of hours in gardening related volunteer work, hours in meetings and hours in horticultural related events. Please contact the Manitoba Master Gardeners Association if you need suggestions for volunteer opportunities.

**PLEASE NOTE:** Hours must only be accumulated within a one-year period.
