From Classrooms to Careers

SINCE 1961

When we say students 'learn by doing' here at Assiniboine, we mean it. Our programs combine theory with hands-on learning in classrooms, labs, kitchens, shops, fields and greenhouses. Students choose our college because we design our programs to get you ready for your career, with the skills and confidence to hit the ground running when you graduate.

We offer more than 75 certificate, diploma and post-graduate programs across a variety of disciplines, with new programs being introduced every year and modern learning facilities and equipment to train you on what's current and emerging in the industry you'll enter after your studies.

Last year, we welcomed more than 3,700 full-time and 6,000 part-time students. With campuses in Brandon, Dauphin, Winnipeg and Portage la Prairie, we provide comprehensive educational opportunities across Manitoba.

Assiniboine College is privileged to provide learning opportunities on the lands of the Dakota Oyate, Nakoda Oyate, Ininiwak, Nehethowak, Nehiyawak, Anishininewuk, Denesuline, Anishinaabeg, and the National Homeland of the Red River Métis.

Why College Might Be Right for You

Whether you're just out of high school, looking to upgrade, or thinking about a career change, college could be your best next step.

FASTER ENTRY TO THE WORKFORCE

Graduate in as little as one year with skills employers need now.

SMALLER CLASS SIZES

Learn in a supportive, personal environment where your instructors know your name.

INDUSTRY CONNECTIONS

Programs include work placements, giving you real experience—and real job leads.

AFFORDABLE EDUCATION

College programs often have lower tuition and shorter durations, saving you time and money.

PATHWAYS TO AND FROM UNIVERSITY

Many of our programs offer the opportunity to upgrade your skills and gain career-specific training after university. They also let you transfer into a degree later if you choose.

Real Students. Real Results.

"My time at Assiniboine offered a wide variety of opportunities right at your fingertips." Aidyn encourages students to get involved and be on the lookout for unique opportunities, "it will make your experience at Assiniboine unforgettable."

Aidyn Pearce,
Civil Engineering Technology
(Municipal Engineering Specialization), 2025

On Campus

Assiniboine
College

VICTORIA AVENUE EAST CAMPUS BRANDON, MB

The Victoria Avenue East campus features large classrooms and well-equipped labs, along with our largest library, bookstore, gymnasium, early learning centre, lecture theatre, digital makers' space, television studio, full-service cafeteria, lounge areas and fitness centre. It's also home to our college radio station, CJ-106 FM and our Centre for Adult Learning, and the new Creative Co-Lab—an innovative space for collaboration, creation, and hands-on learning.

Computer work stations are available to students after classes, during campus hours. Our cultural centre provides a welcoming environment for Indigenous students and hosts many regular events throughout the year, including Elder visits, guest speakers, movie nights, and craft sessions.

Our state-of-the-art labs, like the networking, soils or simulation and active learning labs, will provide you with modern, interactive equipment and space to practice and hone your skill set to perfection.

assiniboine.net/victoria

NORTH HILL CAMPUS

BRANDON, MB

Our North Hill campus is one of the most scenic places in the city. Perched on Brandon's North Hill, you'll have a stunning view overlooking the city and the Assiniboine River valley below.

We continue to expand at this historic location and the North Hill campus now welcomes about half of our Brandon-based students. The site boasts the Manitoba Institute of Culinary Arts, housed inside a beautiful heritage building, combining the best of both new and old for students in food and hospitality programs with restored dining areas and study rooms, a contemporary teaching kitchen and a culinary theatre.

The spacious Len Evans Centre for Trades and Technology features modern shops and classrooms in a historically rich setting. Taking a trade? You'll enjoy the integrated, open-concept building with study areas, academic support centre, library, cultural centre and cafeteria.

Nearby, our Sustainable Greenhouse is where you'll bloom in the Horticultural Production and Sustainable Food Systems programs. The large, modern greenhouse is a central spot for applied research centered on food security and sustainability under our Field to Fork approach.

The North Hill campus is also the future home of the Prairie Innovation Centre—a transformative facility that will bring together agriculture, technology, and education to support the growing needs of Manitoba's ag industry.

assiniboine.net/northhill

Parkland Campus

DAUPHIN, MB

Ashlynn Brandt
Practical Nursing, 2025

Our Parkland campus is centrally located and serves communities across the region, providing students the opportunity to complete their studies closer to home.

We welcome full and part-time students to this vibrant campus that features a contemporary trades shop, health care training lab, student lounge, and early learning centre.

This campus features two computer labs, an academic support centre and an on-site, full-time learning strategist. Meet with the advisor before or during your studies to discuss childcare, funding, housing and anything else you may need.

Along with our full-time day programs, we host general interest and professional development courses. Other programs can be delivered to meet specific needs through contracts with community agencies.

assiniboine.net/parkland

CENTRE FOR ADULT LEARNING

Learn in a supportive environment that truly understands today's world of adult education. Finish your high school diploma, complete prerequisites for post-secondary or increase your previous high school marks.

assiniboine.net/cal

PARKLAND EARLY LEARNING CENTRE

Our non-profit early learning centre, Parkland Campus Kids Inc., is licensed for 28 preschoolers and 12 infants and students get preferred access for their childcare needs.

The centre is open weekdays from 7:45 a.m. to 5 p.m. and offers a hot lunch program, as well as two healthy snacks every day.

PORTAGE CAMPUS

SOUTHPORT, MB

Our Practical Nursing program is offered annually at this campus.

assiniboine.net/portage

COMMUNITY-BASED TRAINING AND Rural Rotating Sites

Community-based education is part of Assiniboine's DNA, and it's one of the ways we help communities and regions address their specific labour market needs. In fact, we're a leader in this area. Community-based delivery is when we offer one of our programs in a location where we don't have a permanent campus, allowing students to live and study where they otherwise may not have the opportunity. Programs are often in the areas of skilled trades, health care, human services, business, and agriculture. Often there is an adult upgrading component, allowing Assiniboine students to complete both their high school education and become a college graduate!

This past academic year, we delivered programs in 49 communities across Manitoba. We see tremendous success in this approach, particularly as it relates to self-determination and prosperity for First Nations, Métis and Inuit communities.

We also host rural rotating sites for our Early Childhood Education, Practical Nursing and Comprehensive Health Care Aide programs in addition to our permanent offerings of the programs at our campuses. In recent years, we've delivered our Practical Nursing program in a wide variety of communities across Manitoba, including Virden, Neepawa, Morden, Otterburne, and Arborg.

**PETERS
SCHOOL**
Business

SHAPING FUTURE BUSINESS LEADERS

Assiniboine, with a rich history in traditional business and office programs, has evolved to meet industry demands through continuous innovation.

The newly established Peters School of Business exemplifies this evolution, offering advanced diplomas in Accounting, Finance, Human Resource Management and Marketing, along with a partnership with Cape Breton University for an MBA in Community Economic Development.

Recent expansions include programs in Media and Communications, Digital Art and Design, Web and Interactive Development and Network Administration Technology, supported by the state-of-the-art Centre for Creative Media and the Westoba Innovation Lab.

The Peters School's excellence is affirmed by accreditations and partnerships with industry associations, including Accreditation Council for Business Schools and Programs and CPA Canada.

assiniboine.net/petersschool

YOUR EDUCATION FROM THE GROUND UP

The Russ Edwards School of Agriculture & Environment is a leader in hands-on education and training, using technology and innovation to create change with greater effect and better outcomes and recognizes the interconnectedness of agriculture and the environment.

With an entrepreneurial spirit and commitment to a strong Manitoba, the Edwards School is home to leading provincial programs in agriculture and environment, encompassing a field to fork philosophy and integrating the technology to keep up with the evolving industry.

For over 45 years, Assiniboine has been at the forefront of agriculture and environment education, offering a range of programs designed for every career stage. Whether you're a recent high school graduate, a professional looking to build new skills, or someone seeking a career change, our programs provide the hands-on experience and technological expertise to help you succeed.

assiniboine.net/edwardsschool

APPLIED RESEARCH

As part of Assiniboine's Applied Research Strategy, the Russ Edwards School of Agriculture & Environment is consistently working to respond to sector challenges and industry needs, with a key focus of improving environmental sustainability and mitigating climate change.

COUGAR PRIDE

Cougars men's and women's volleyball, soccer, futsal, and curling teams play in the Manitoba Colleges Athletic Conference against other post-secondary institutions in the province. Our women's hockey team plays in the American Collegiate Hockey Association against schools in the Northern United States.

You must be a full-time student at Assiniboine to play for the Cougars. Assiniboine provides travel, meals, accommodations and athletic apparel to our student athletes.

For more information on Cougar Athletics, visit assiniboine.net/athletics or contact our Athletics Director at cougars@assiniboine.net.

Student Supports

WE'RE HERE FOR YOU!

ACADEMIC & PERSONAL ADVISING

At Assiniboine, you're not alone—but you are in the driver's seat.

Student Success Advisors are here to partner with you as you navigate college life. Whether you're choosing a program, setting academic goals, or developing strategies for success, we'll work alongside you to help you make informed decisions and build the college experience that fits you best—academically, personally, and beyond.

ACCESSIBILITY/ DISABILITY SERVICES

Assiniboine is committed to fostering a welcoming culture that facilitates the inclusion and integration of students with disabilities within the college community. We are committed to removing and preventing barriers to the full academic participation of students with permanent or temporary disabilities.

Students are responsible to make the college aware of their disability-related needs and cooperate with the college in order to develop and implement academic accommodations that uphold essential academic requirements and standards.

Request for Services Form available at
assiniboine.net/servicerequest.

LIBRARY SERVICES

The friendly Library staff are happy to assist you at all college locations, both in-person and virtually, during library hours. They offer support with academic skills like research, finding library materials, using AI tools, searching and evaluating online information, APA citation and addressing academic integrity and copyright issues. Online resources, including tutorials, research databases, streaming videos and eBooks, are available anytime through our website. Additionally, you can use traditional library materials such as books, journals/magazines and DVDs to support your studies. If you need an item not in our collection, ask about free interlibrary loan access.

The central library is located at the Victoria Avenue East campus in Brandon, with a branch at the North Hill campus. Enjoy our quiet work and study areas on campus, including bookable group study rooms.

Learning Curve

Empowering students with personalized academic support for success in learning, work and life.

Our learning strategists and student academic aides support you to find effective ways of learning. We encourage active learning and collaborate with you to find strategies that make sense in your life. We provide referrals to student success advisors, the library and other resources as you work towards meeting your academic goals.

Whether online or in-person, our knowledgeable and friendly team can help you:

- ▶ Study less and learn more: learning strategies, note-taking, goal setting
- ▶ Improve your test results, test/exam prep, study skills, test anxiety
- ▶ Get better at math: foundational math refreshers, program-specific content
- ▶ Do more with your time: organization, time management
- ▶ Develop your writing skills: APA support, proofreading, effective writing techniques
- ▶ Work with technology: computer support (e.g. Microsoft Office Suite, assistive technology)

If you're looking for a head start and are interested in any of the above, you don't need to wait until you are on campus. Our resources are available at assiniboine.libguides.com/lc.

You can also schedule appointments with us before classes start and book online whenever you want. Our secure booking site is open 24 hours a day, 7 days a week, 365 days of the year.

assiniboine.net/learningcurve

Get Ready for College

There's a lot to know when starting college, but we have many services and supports to help you along the way.

TECHNOLOGY REQUIREMENTS

Assiniboine College requires students to use multifactor authentication (MFA) via a modern smartphone or hardware token for secure access. For programs under Bring-Your-Own-Device (BYOD), students must provide a laptop meeting at least Windows 11, with more powerful specs needed for Creative Media programs. A reliable home internet connection is also essential.

BOOKSTORE

The Assiniboine bookstore is open at the Victoria Avenue East campus from 8 a.m. to 4 p.m., Monday to Friday. Here you can buy or rent new and used print or digital textbooks. There's also an opportunity to sell them back to us. Stock up on supplies and snacks to study with friends, and grab a comfy sweatshirt for that long study session ahead. You can cut down on exam jitters when you know we've got you covered with notebooks, pens, pencils, and calculators. You can also show off your school spirit with a t-shirt, coffee mug, backpack or socks.

PARKING/TRANSIT

For students studying at campuses in Brandon, a transit bus pass (U-Pass) is included in their student fees. This pass is available at the Students' Association office at the Victoria Avenue East campus. Students attending our Winnipeg campus receive 20% off the City of Winnipeg's regular transit fares.

If you are driving to school, parking is available on a first-come, first-served basis. Most campuses offer paid scramble parking lots, while some have free scramble parking lots.

CHILDCARE

If you are looking for childcare, the Assiniboine Early Learning Centre at the Victoria Avenue East campus in Brandon is licensed for 56 children, ranging from three months to Kindergarten age. The centre is open weekdays from 7:30 a.m. to 5:30 p.m. and offers an optional lunch program for an additional cost, as well as two healthy snacks every day. Full-time students and staff of Assiniboine College in Brandon are given priority; however, space is not guaranteed.

In Dauphin, Parkland Campus Kids Inc. is licensed for 28 pre-school children and 12 infants. The centre is open weekdays from 7:45 a.m. to 5 p.m. and offers a hot lunch program, as well as two healthy snacks every day. Students attending classes at Parkland campus get preferred access for their childcare needs.

HOUSING

At Assiniboine, while we do not offer on-campus housing, we have compiled valuable resources to help you find comfortable and convenient accommodations. Whether you're looking for a local rental or shared housing, we're here to help provide resources to ensure you have a smooth transition to campus life.

Students studying in Brandon may also consider applying for residence at nearby Brandon University, which offers on-campus housing options just a short distance from our Victoria Avenue East campus.

Financial Aid & Awards

Funding your education is an important piece of your academic journey. Don't miss out—apply to your program as early as you can. The earlier you're in, the more awards you'll be considered for.

Financing your education is an important consideration and we're here to help. There's more support out there than you might think—join a Financial Aid & Awards information session to find out what's available and how to apply. Visit assiniboine.net/awards to learn more and register for a session.

SCHOLARSHIPS AND BURSARIES

Many students qualify for scholarships and bursaries. Scholarships can be awarded based on a variety of criteria, including academic achievement, school or community involvement and athletics. Bursaries are awarded primarily based on financial need. Once you have been accepted into your program, you can be considered for awards. The earlier, the better! Visit assiniboine.net/awards to get started.

Register for a Financial Aid & Awards online information session and learn more about the financial aid options available to you.

GOVERNMENT STUDENT AID

Provincial and federal student aid programs offer student loans, grants and bursaries. Loans remain interest-free for six months post-graduation.

RESP & RRSP The Government of Canada's Lifelong Learning Plan allows you to withdraw amounts from your Registered Retirement Savings Plan (RRSP) to finance full-time training or education for you or your spouse or common-law partner.

OTHER FUNDING OPPORTUNITIES

Explore other available sources of financial aid. Visit assiniboine.net/financialaid to find out about disability-related funding, Indigenous sponsorships, student lines of credit, the Tuition

Indigenous Student Supports

Our team offers a wide-range of support and services to assist students along their post-secondary journey.

First Nation, Métis and Inuit students should feel welcome, safe and have a sense of belonging. We work closely with student success advisors from every school and program to guide students along their academic journey. In addition, we liaise and coordinate with community resources available to support student wellness. We act as a resource for all students and faculty in their efforts to acquire a true understanding of Indigenous cultures and ways of knowing.

All students are encouraged to access our services and participate in events on campus, such as:

- ▶ Indigenous Student Welcome
- ▶ Fall Feast
- ▶ Holistic, proactive advising and support
- ▶ Elder and Knowledge Keepers' program
- ▶ Family events
- ▶ Cultural celebrations, activities and teachings
- ▶ Peer mentoring and role models
- ▶ Our Journey: Student Success Celebration
- ▶ Traditional Knowledge and Teachings

Visiting Elders and Knowledge Keepers are available at all campuses and community programs. They represent Dakota, Ojibway, St'at'imc, Cree and Métis nations and provide guidance, teachings, historical information, traditional knowledge and support to all students.

Although Elders are not always present on campus, they will meet with students anytime there is a request. Meeting with an Elder may be as informal as a casual visit or can include cultural or spiritual teachings and guidance at your request.

CULTURAL CENTRES

Cultural centres provide comfortable, welcoming environments for students to relax and mingle. It is an ideal place to visit with Elders, Knowledge Keepers, the Indigenous Affairs team and fellow students, study, or relax between or after classes.

PEER MENTORING PROGRAM

The Indigenous Peer Mentoring Program pairs new and returning First Nation, Métis and Inuit students to assist with the transition to post-secondary learning.

Students participate in cultural activities, one on one and group mentoring, study groups and sharing circles.

Meet new people, navigate and access college and community supports, build communication and relationship skills and help other students embrace their culture!

27% of domestic graduates in 2024-25 were Indigenous.

Admission Requirements

CERTIFICATES AND DIPLOMAS

English is the language of instruction at Assiniboine. All applicants educated outside of Canada, or a country not on the test-exempt list, are expected to meet the English language proficiency requirement.

Please visit assiniboine.net/elp for more information.
Advanced diplomas require a prior post-secondary credential.
For more information, visit assiniboine.net/advanced.

Centre For Adult Learning

Open the door to a world of exciting careers by upgrading your grades, completing your high school diploma or entering into one of our integrated programs.

Assiniboine has two Centres for Adult Learning (CAL)—one in Brandon at our Victoria Avenue East campus and one in Dauphin at our Parkland campus. Both offer two intakes a year: September and January.

The CAL is a supportive and inclusive environment dedicated to helping adult learners achieve their educational goals. Our programs are designed to accommodate your busy schedules and diverse learning styles by offering a variety of class times. Whether you are looking to upgrade your high school courses to meet admission requirements for college or university programs or earn your high school diploma, our instructors and staff are here to support you every step of the way.

Choose the learning style that works best for you:

- ▶ **In-person classes:** Attend classes on campus with direct access to instructors, peers, hands-on learning, real-time discussions, and campus resources.
- ▶ **Independent Study (Continuous Registration):** Learn at your own pace with no scheduled classes.
- ▶ **Hub Mode:** Classes are taught in person at one CAL site and streamed live to students at another location or home via Zoom or Microsoft Teams.

Free to Apply!

Take courses, tuition-free!

Explore Your Path Forward

Continuing Studies

Whether you are looking for professional development, personal enrichment or a new career path, Continuing Studies at Assiniboine has something for you. We offer a wide range of programming options from short courses to certificates—delivered in-person, online or in blended formats.

SOMETHING SHORT AND SWEET TO HELP ME BUILD A PARTICULAR SKILL, PROFESSIONALLY OR FOR PERSONAL INTEREST.

Some courses Continuing Studies offers are one-off, meaning you can take a single course and it doesn't have ties to any other programming at the college. We also offer courses that are part of a larger program, which can be taken independently (e.g. Entrepreneurship, American Sign Language, Home Inspection, etc).

A FULL PROGRAM TO HELP ME LAUNCH INTO A NEW CAREER.

We offer programs that are designed to enhance your skill set, whether you're currently in a career (but need to learn new skills) or seeking out a new one (and want to change things up). The part-time format of our programs makes it easier to fit education into your busy schedule. You get the flexibility to earn and learn. Our program selection includes, but is not limited to, Administrative Assistant, Bookkeeping and Prairie Horticulture.

FLEXIBILITY TO LEARN ONLINE.

Continuing Studies meets you at home to expand your skills and knowledge where and when you can get the most from your learning. Alongside our academic partners, Ed2Go and UGotClass, we offer learners the chance to explore a range of educational opportunities online, including self-paced, hybrid and short courses, and credential programs.

Program and Course Guide

Food, Agriculture & Environment

Certificates and Diplomas

AGRIBUSINESS

TWO-YEAR DIPLOMA

Immerse yourself in one of Canada's largest industries. This comprehensive program will help you develop a strong foundation in the business of agriculture. Grow your skills in agronomy, sales and marketing, communications, customer service, research, finance, office management, livestock and computer applications.

assiniboine.net/agribusiness

CULINARY ARTS

TWO-YEAR DIPLOMA

Learn food preparation techniques, nutritional content and perfect the art of presentation skills. Develop planning, preparing and teamwork skills by working in our commercial-style kitchen and gain practical experience in the well-known Great Grey Owl Restaurant and at other popular events hosted by students.

assiniboine.net/culinary

FOOD PROCESSING (ANIMAL PROTEINS)

EIGHT-MONTH CERTIFICATE

Gain the specialized skills for all aspects of meat cutting, including processing and packaging. Learn all aspects of the trade, including nutrition, safety, tools, workplace values and essential communication skills. Enjoy a newly built, modern teaching lab with all the trimmings. Develop skills in curing and smoking for all types of animal protein, including poultry, beef, pork, goat and lamb. Gain hands-on retail experience in an on-campus retail store front.

assiniboine.net/foodprocessing

HORTICULTURAL PRODUCTION

NINE-MONTH CERTIFICATE

Focus your interests on three key sectors: fruits and vegetables, greenhouse production and nursery. Participate in pioneering research projects and help find ways to improve greenhouse management and food production.

assiniboine.net/horticultural

LAND AND WATER MANAGEMENT TWO-YEAR DIPLOMA

Your passion for the outdoors makes you a great candidate for a career in natural resources. This exciting program brings together natural resources, technology and the environment in an agricultural context. Learn about the environment, evaluate its health and become a positive role model in this era of agricultural and industrial expansion.

assiniboine.net/landandwater

PROFESSIONAL COOKING - NEW EIGHT-MONTH CERTIFICATE

Gain hands-on experience in cooking, baking, food safety, nutrition, and kitchen operations—building the skills and confidence to excel in any professional kitchen. Graduate ready to step into exciting opportunities across the food service industry.

assiniboine.net/procook

Advanced Diplomas

Requires a previous diploma or degree.

AGRICULTURE EIGHT-MONTH ADVANCED DIPLOMA

Expand your business knowledge into the field of agribusiness. This program offers courses in agronomic topics such as soil fertility and crop pest management, as well as business and technology topics relevant to the industry.

assiniboine.net/agadvanced

DIGITAL AGRICULTURE TECHNOLOGY TWO-YEAR ADVANCED DIPLOMA

Gain hands-on skills in agronomy, crop production and precision agriculture. Master data manipulation to create interactive maps and dashboards for industry success.

assiniboine.net/digitalag

GEOGRAPHIC INFORMATION SYSTEMS EIGHT-MONTH ADVANCED DIPLOMA

Solve problems using the newest mapping technologies in a range of disciplines. Use geographic information systems (GIS), remote sensing and global positioning systems (GPS) to map variations in land, water, vegetation and nutrient conditions. Learn to analyze data, incorporate related information and translate it into practical applications.

assiniboine.net/gis

SUSTAINABLE FOOD SYSTEMS NINE-MONTH ADVANCED DIPLOMA

Help research different greenhouse models and find out how to improve food security in cold climates. Learn leading-edge approaches to food production through greenhouse operations, fruit, vegetable and agronomic crop production, plant breeding, pest-management, plant propagation and nutrient management. Work closely with our faculty on current projects aimed at addressing food related issues in our country.

assiniboine.net/sfs

**With the new Prairie
Innovation Centre,**
Assiniboine is expanding hands-on learning
with cutting-edge programs in agriculture,
technology, and food systems—preparing
students for the future of Prairie industries.

Business & Office

Certificates and Diplomas

BUSINESS ADMINISTRATION

TWO-YEAR DIPLOMA

Today's business industry requires many personalities and skill sets to function. After completing all common courses in your first year, your second year will give you the opportunity to specialize in accounting, financial services, human resource management, or marketing.

*Accredited by the Accreditation Council
for Business Schools and Programs.*

assiniboine.net/business

LEGAL ADMINISTRATION - NEW

16-MONTH CERTIFICATE

Prepare for a stimulating career in law, justice or real estate with this two-year diploma. Understand Canadian legal processes in public and private law, gain higher administrative training and acquire experience transcribing for police departments and court rooms.

assiniboine.net/legaladmin

Meet Kristen

“I’m incredibly grateful for my time at Assiniboine. Earning my Investment Funds in Canada certification and Life License Qualification Program designation while still in school has been a huge asset as I step into this new chapter.”

Business Administration, 2025

MEDICAL ADMINISTRATION - NEW

16-MONTH CERTIFICATE

Develop specialized administrative and communication skills tailored for today's healthcare settings. Learn medical terminology, transcription, pharmacology, ethics and more—plus gain hands-on experience through practicum placements using industry tools like electronic medical records.

assiniboine.net/medicaladmin

OFFICE PROFESSIONAL - NEW

16-MONTH CERTIFICATE

Gain advanced administrative and leadership skills to manage office operations, HR tasks, payroll processing, and software systems with professionalism and efficiency. Emphasizing critical thinking, legal and ethical compliance, and technical proficiency, this training prepares students for roles such as office assistant, receptionist, or administrative clerk.

assiniboine.net/officepro

Advanced Diplomas

Requires a previous diploma or degree.

ACCOUNTING

Learn all aspects of public safety, including the criminal code of Canada, conflict management, interviewing, and investigating. To be successful, you must be able to balance academic studies, physical training and participate in team activities.

assiniboine.net/publicsafetyadvanced

In 2024-25 Assiniboine graduated
154 new Practical Nursing grads
poised to enter the healthcare field.

Technology

Certificates and Diplomas

CIVIL TECHNICIAN ONE-YEAR CERTIFICATE

Develop your problem-solving skills through drafting, surveying and computer-aided design; build a solid foundation of basic civil engineering skills using Computer Assisted Drafting (CAD). Learn to design different areas of infrastructure including roads, sidewalks, watersheds and drainage systems. Acquire skills in third angle project standards, 3D modelling and producing architectural drawings for a residential project. Upon graduation, go directly into the workforce or transfer to civil engineering programs across Manitoba, including our Civil Technology (Municipal Engineering) program.

assiniboine.net/civiltechnician

CIVIL TECHNOLOGY (MUNICIPAL ENGINEERING) TWO-YEAR DIPLOMA

Requires completion of Civil Technician certificate.

Take your skills and knowledge to another level and experience real-world applications in research, planning, drafting and project management. This two-year diploma specialization provides students who have completed their Civil Technician certificate with an opportunity to learn about civil technology in greater detail. Learn about terrain analysis, fluid mechanics, geotechnical materials, groundwater flow and analysis, roadway design, and water and wastewater piping system design—all with an emphasis on project management.

assiniboine.net/civiltechnology

COMMUNICATIONS INSTALLATION TECHNICIAN - NEW ONE-YEAR CERTIFICATE

Launch your career in the fast-growing communications industry with hands-on training in installation, maintenance, and repair of voice, video, and data equipment. Through labs, real-world projects, and industry work experience, you'll gain the practical skills to set up new systems, perform upgrades, troubleshoot issues, and guide end-users on proper equipment operation.

assiniboine.net/CIT

DIGITAL ART AND DESIGN

TWO-YEAR DIPLOMA

Explore new and innovative ways to merge form and function, creating designs that broaden the mind. Study composition and layout, typography, digital painting and drawing software. Learn to communicate in today's ever-changing digital world, dip into marketing and branding, and put your skills to the test while working on visual solutions for real-world clients.

assiniboine.net/digitaldesign

MECHATRONICS - NEW (ROBOTICS AND AUTOMATION)

THREE-YEAR DIPLOMA

This program is a blend of mechanical engineering, electronics and computer science. Gain hands-on expertise to develop automated machines, specifically for the agricultural sector, drawing from these interdisciplinary technologies.

assiniboine.net/mechatronics

MEDIA AND COMMUNICATIONS

TWO-YEAR DIPLOMA

Craft powerful messages through audio or visual productions. Produce a live news broadcast, run Assiniboine's own CJ-106 FM radio station and learn how to tell compelling stories that reflect the world around us. Get a solid foundation in film, television, multi-platform journalism, and radio production that you can build on.

assiniboine.net/mediacommunications

NETWORK ADMINISTRATION TECHNOLOGY

TWO-YEAR DIPLOMA

Study in cutting-edge electronic and computer lab facilities. Learn to analyze, troubleshoot, repair, install, and provide technical support for computer systems and networks. Acquire the skills to be able to manage network routers, install and upgrade hardware and software, and develop internet applications. You have the option to write industry-standard certifications such as A+, Linux+, Network+, MCTS, MCITP, CCNA and CCENT.

assiniboine.net/nat

WEB AND INTERACTIVE DEVELOPMENT

TWO-YEAR DIPLOMA

Study emerging visual technologies that extend, replace and enhance our realities (virtual, augmented and mixed reality applications). Learn the fundamentals of programming, both the back-end and front-end development of websites, as well as mobile app development. Create and customize the delivery of web content on desktop computers and mobile platforms.

assiniboine.net/interactivedevelopment

**Meet the newest member of our
Mechatronics program:**
a four-legged robotic dog, Otto, gives students
hands-on experience with real-world robotics,
programming, and automation. It's more than a
cool companion; it's a cutting-edge learning tool.

Trades

Certificates and Diplomas

APPLIED BUILDING CONSTRUCTION SIX-MONTH CERTIFICATE

Develop the practical skills you need to create excellent work. Learn about hand tools, precise measuring and cutting and how to create what you envision in your mind's eye. Gain the basic knowledge to build projects from simple shelving to a single-family dwelling.

assiniboine.net/appliedbuilding

APPLIED ELECTRICAL INSTALLATION SIX-MONTH CERTIFICATE

Gain the entry-level skills industry is seeking. This program will provide a base to build a career in the electrical trade. Upon successful completion, you will be ready to start an apprenticeship in the electrical industry and begin working toward journeyperson certification.

assiniboine.net/appliedelectrical

APPLIED PLUMBING INSTALLATION SIX-MONTH CERTIFICATE

Concentrate on plumbing and pipe fitting, while learning about drain, water and venting systems, water treatment, fire sprinkler systems, water, and sewer. Instructors use industry-relevant tools and equipment with an emphasis on safety and protection of the environment.

assiniboine.net/appliedplumbing

AUTOMOTIVE TECHNICIAN NINE-MONTH CERTIFICATE

Take your ability to problem solve and turn it into a career in the automotive service industry. Develop basic shop skills as you learn about electrical systems, engines and power trains. Repair and service cars and light-duty trucks. Gain industry-based knowledge in a hands-on environment where you will work on live equipment while building your confidence in customer service.

assiniboine.net/automotive

CARPENTRY AND WOODWORKING

NINE-MONTH CERTIFICATE

Learn all the basics of building a single-family dwelling. Acquire skills in stair building, cabinet making and finishing and concrete pouring, while completing training in safety and scaffolding. Make industry connections and become career-ready with the practicum at the end of this program.

assiniboine.net/carpentry

CONSTRUCTION ELECTRICIAN

NINE-MONTH CERTIFICATE

Find exceptional learning experiences in our modern electrical shop, and acquire advanced skills in wiring and blueprint reading. Gain real industry experience and be career-ready after completing the practicum at the end of this program.

assiniboine.net/ce

HEAVY EQUIPMENT TECHNICIAN/ AGRICULTURAL EQUIPMENT TECHNICIAN/TRUCK AND TRANSPORT MECHANIC

NINE-MONTH CERTIFICATE

Develop your skills in servicing, diagnosing and repairing of agricultural, heavy duty and transport equipment. Hands-on experiences include class time in a modern shop where you will work on live equipment.

This program, which includes a practicum, offers you the opportunity to receive credit towards Level 1 in one of three trades. Upon completion, choose between Heavy Duty Equipment Technician, Agricultural Equipment Technician, or the Truck and Transport Mechanic apprenticeship program.

assiniboine.net/heavyequip

assiniboine.net/agtech

assiniboine.net/transportmech

PIPING TRADES

NINE-MONTH CERTIFICATE

Acquire knowledge in more than just plumbing with this well-rounded pre-employment program. Develop your skills in blueprint reading, plumbing systems, heating, refrigeration, sheet metal, and water treatment. Learn in a modern shop with up-to-date equipment. Your three-week practicum allows you the opportunity to gain industry experience before you graduate.

assiniboine.net/piping

POWER ENGINEERING

TWO-YEAR DIPLOMA

Certification in 3rd and 4th class power engineering provides opportunities for advancement in industry. Spend time in the classroom, as well as in industry gaining steam time and work experience. Exceptional learning experiences include rebuilding and tearing down pumps, pipe threading and an introduction to welding and electrical components.

assiniboine.net/powerengineering

WELDING

FOUR-MONTH CERTIFICATE

Gain the skills needed for high-quality welding work. This comprehensive four-month program focuses on the safety, theory and practical aspects of oxyacetylene, shielded arc welding, gas tungsten arc welding, and special processes. A three-week work practicum and general fabrication training are included in this hands-on program. Train in all aspects of welding, so you can be job ready.

assiniboine.net/welding

Apprenticeship

Train for your career as a certified journeyperson. Manitoba has more than 55 designated apprenticeship trades and Assiniboine is proud to partner with Apprenticeship Manitoba to offer many of them. You'll learn through a combination of on-the-job practical training and in-school technical training.

There are two ways to enter any trade:

1. Complete a pre-employment program (find a full list of programs at Assiniboine on page 32) and then continue on to apprenticeship.
2. Enter directly into apprenticeship.

Pre-employment programs provide you with a well-rounded foundational education in your trade so that you are well-prepared to start your career and register as an apprentice. All pre-employment programs at Assiniboine are also accredited with Manitoba Apprenticeship trades. Whichever way you choose, both ways lead to obtaining your designation as a certified journeyperson.

Training for a certified journeyperson varies from one to five levels, depending on the trade. For each level, you spend about 80% of your time learning from your employer; the other 20% is short-term technical training at college.

Choosing a trade program will take you on a career path that promises to be both rewarding and challenging. So, roll up your sleeves, and let's get to work.

For more information, visit Apprenticeship Manitoba at manitoba.ca/tradecareers or assiniboine.net/apprenticeship.

spend a day

DISCOVER HOW ONE DAY CAN SHAPE YOUR FUTURE

Our Spend a Day program is available from November to March for most of our 75+ certificate, diploma and post-grad programs. During your day at Assiniboine, you'll get the chance to:

- ▶ Engage in 'Learn by Doing' classroom activities
- ▶ Meet current students and instructors
- ▶ Immerse yourself in college life
- ▶ Discover our student services
- ▶ Enjoy a complimentary lunch (on us!) for you and your host

NOT READY FOR A FULL DAY?

Connect with our recruitment team to explore our program options.

START YOUR ASSINIBOINE Journey Here

Step 1 CHOOSE YOUR PROGRAM

- ▶ Explore our programs and admission requirements at assiniboine.net/experienceassiniboine. Unsure if you meet the requirements? Contact admissions@assiniboine.net before applying.
- ▶ Attend a program information session at assiniboine.net/infoession or participate in a Spend a Day for a program at assiniboine.net/spendaday.

Step 2 APPLY TO YOUR PROGRAM

Start your online application at assiniboine.net/apply. For most programs, qualified applicants are admitted on a first-qualified, first-served basis.

Submit the following to apply:

- ▶ Online application
- ▶ \$95 application fee
- ▶ Official transcripts

For competitive entry programs, additional documentation is required. Check your program's webpage for full details.

Step 3 BECOME A STUDENT

- ▶ We'll contact you upon receiving your application. Your application is complete when all documents are submitted.
- ▶ If you meet the admission requirements and there's space in the program, you will receive an acceptance letter via email.
- ▶ Pay your non-refundable tuition deposit by the deadline in your acceptance letter. Follow up with any other required documents (e.g., final transcripts if you're still in grade 12) as outlined in the acceptance letter.
- ▶ For competitive entry programs, your application will be assessed and you'll be contacted with further information.

WELCOME TO Assiniboine!

Keep an eye out for important emails and information from us, but rest assured, you've done your homework. Now, sit back and relax—we'll see you when classes start!
