A photograph of graduates in maroon gowns and caps. The focus is on the back of a graduate in the foreground, whose cap has a vibrant, multi-colored beaded border. Other graduates are visible in the background, slightly out of focus. The scene is set in a large hall, likely a gymnasium or arena, during a graduation ceremony.

Assiniboine College campuses are located on the traditional territories of Treaty No. 1 and Treaty No. 2 and the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples and the homeland of the Red River Métis nation. We also recognize other Treaty territories where our community-based training takes place. We welcome students who seek knowledge here.

Why Assiniboine?

LEARN BY ACTUALLY DOING.

At Assiniboine, we immerse you in authentic situations and encourage you to spend more time away from the textbooks. Our college knows real-world skills and experiences are important. That's why our programs connect you with industries and communities through projects, conferences and work integrated learning. It's all about preparing you for a meaningful and rewarding career.

DYNAMIC LEARNING SPACES: WHERE EDUCATION MEETS INNOVATION.

Whether it's mastering cutting-edge technology in the Westoba Innovation Lab or unleashing your creativity in the Centre for Creative Media, students at Assiniboine have access to a world of opportunity and exploration, all in a supportive and inspiring environment that fosters growth, innovation and success.

JOIN THE COMMUNITY.

Small class sizes? Check. Instructors who know your name? Absolutely. Quick walks to class with time for a coffee refill? You bet. But more importantly, you'll build lifelong friendships, learn from industry experts eager to share their knowledge and study in a cozy setting that sets you up for success.

ACCESS TO EDUCATION.

With five campuses and programs in 34 Manitoba communities, Assiniboine makes education accessible no matter where you live. From rural rotating sites to customized community training, we bring skilled graduates to every corner of the province.

GET CAREER READY.

At Assiniboine, we get it—you want a career in your field and a good income. Our education opens those doors. Just ask our grads: 94% are employed within nine months of graduation and 89% are working in their field of study.

Why stop now?

The next page might just convince you to say 'Yes' to Assiniboine!

**RUSS
EDWARDS
SCHOOL**
Agriculture &
Environment

YOUR EDUCATION FROM THE GROUND UP.

The Russ Edwards School of Agriculture & Environment is a leader in hands-on education and training, using technology and innovation to create change with greater effect and better outcomes and recognizes the interconnectedness of agriculture and the environment.

With an entrepreneurial spirit and commitment to a strong Manitoba, the Edwards School is home to Manitoba's leading programs in agriculture and environment, encompassing a field to fork philosophy and integrating the technology to keep up with the evolving industry.

For over 45 years, Assiniboine has been at the forefront of agriculture and environment education, offering a range of programs designed for every career stage. Whether you're a recent high school graduate, a professional looking to build new skills, or someone seeking a career change, our programs provide the hands-on experience and technological expertise to help you succeed.

APPLIED RESEARCH

As part of Assiniboine's Applied Research Strategy, the Russ Edwards School of Agriculture & Environment is consistently working to respond to sector challenges and industry needs, with a key focus of improving environmental sustainability and mitigating climate change.

assiniboine.net/research

Shaping Future Business Leaders

Assiniboine, with a rich history in traditional business and office programs, has evolved to meet industry demands through continuous innovation.

The newly established Peters School of Business exemplifies this evolution, offering advanced diplomas in Accounting, Finance, Human Resource Management and Marketing, along with a partnership with Cape Breton University for an MBA in Community Economic Development.

Recent expansions include programs in Media and Communications, Digital Art and Design, Web and Interactive Development and Network Administration Technology, supported by the state-of-the-art Centre for Creative Media and the Westoba Innovation Lab.

The Peters School's excellence is affirmed by accreditations and partnerships with industry associations, including Accreditation Council for Business Schools and Programs and CPA Canada.

On Campus

Assiniboine
College

VICTORIA AVENUE EAST CAMPUS BRANDON, MB

The Victoria Avenue East campus features large classrooms and well-equipped labs, along with our largest library, bookstore, gymnasium, early learning centre, lecture theatre, digital makers' space, television studio, full-service cafeteria, lounge areas and fitness centre. It's also home to our college radio station, CJ-106 FM, and our Centre for Adult Learning.

There are computer work stations available to students after classes, during campus hours. Our cultural centre provides a welcoming environment for Indigenous students and hosts many regular events throughout the year, including Elder visits, guest speakers, movie nights and craft sessions.

Our state-of-the-art labs, like the networking, soils or simulation and active learning labs, will provide you with modern, interactive equipment and space to practice and hone your skill set to perfection.

assiniboine.net/victoria

NORTH HILL CAMPUS BRANDON, MB

Our North Hill campus is one of the most scenic places in the city. Perched on Brandon's North Hill, you'll have a stunning view overlooking the city and the Assiniboine River valley below.

We continue to expand at this historic location and the North Hill campus now welcomes about half of our Brandon-based students. The site boasts the Manitoba Institute of Culinary Arts, housed inside a beautiful heritage building, combining the best of both new and old for students in food and hospitality programs with restored dining areas and study rooms, a contemporary teaching kitchen and a culinary theatre.

The spacious Len Evans Centre for Trades and Technology features modern shops and classrooms in a historically rich setting. Taking a trade? You'll enjoy the integrated, open-concept building with study areas, academic support centre, library, cultural centre and cafeteria.

Nearby, our Sustainable Greenhouse is where you'll bloom in the Horticultural Production and Sustainable Food Systems programs. The large, modern greenhouse is a central spot for applied research centered on food security and sustainability under our Field to Fork approach.

assiniboine.net/northhill

EVENTS AT MICA

Some of the tastiest 'learn by doing' experiences at Assiniboine come from the annual student-run events at the Manitoba Institute of Culinary Arts.

These events provide practical, hands-on opportunities for food and hospitality students to test their skills and gain confidence in their field of study alongside skilled faculty members.

assiniboine.net/micaevents

Parkland Campus

DAUPHIN, MB

For a full description of each program, view pages 26 to 36.

Our Parkland campus is centrally located and serves communities across the region, providing students the opportunity to complete their studies closer to home. We welcome full and part-time students to this vibrant campus that features a contemporary trades shop, health care training lab, student lounge and early learning centre.

This campus features two computer labs, an academic support centre and an on-site, full-time learning strategist. Meet with the advisor before or during your studies to discuss childcare, funding, housing and anything else you may need.

Along with our full-time day programs, we host general interest and professional development courses. Other programs can be delivered to meet specific needs through contracts with community agencies.

assiniboine.net/parkland

CENTRE FOR ADULT LEARNING

Learn in a supportive environment that truly understands today's world of adult education. Finish your high school diploma, complete prerequisites for post-secondary or increase your previous high school marks.

assiniboine.net/cal

PARKLAND EARLY LEARNING CENTRE

Our non-profit early learning centre, Parkland Campus Kids Inc., is licensed for 28 preschoolers and 12 infants and students get preferred access for their childcare needs.

The centre is open weekdays from 7:45 a.m. to 5 p.m. and offers a hot lunch program, as well as two healthy snacks every day.

PORTAGE CAMPUS SOUTHPORT, MB

Our Practical Nursing program is offered annually at this campus.

assiniboine.net/portage

COMMUNITY-BASED TRAINING AND

Rural Rotating Sites

Community-based education is part of Assiniboine's DNA and it's one of the ways we help communities and regions address their specific labour market needs. In fact, we're a leader in this area. Community-based delivery is when we offer one of our programs in a location where we don't have a permanent campus, allowing students to live and study where they otherwise may not have the opportunity. Programs are often in the areas of skilled trades, health care, human services, business and agriculture. Often there is an adult upgrading component, allowing Assiniboine students to complete both their high school education and become a college graduate!

This past academic year, we delivered programs in 34 communities across Manitoba. We see tremendous success in this approach, particularly as it relates to self-determination and prosperity for First Nations, Métis and Inuit communities.

We also host rural rotating sites for our Early Childhood Education, Practical Nursing and Comprehensive Health Care Aide programs in addition to our permanent offerings of the programs at our campuses. In recent years, we've delivered our Practical Nursing program in a wide variety of communities across Manitoba, including Virden, Neepawa, Morden, Otterburne and Arborg.

Apprenticeship

Train for your career as a certified journeyperson. Manitoba has more than 55 designated apprenticeship trades and Assiniboine is proud to partner with Apprenticeship Manitoba to offer many of them. You'll learn through a combination of on-the-job practical training and in-school technical training.

There are two ways to enter any trade:

1. Complete a pre-employment program (find a full list of programs at Assiniboine on page 36) and then continue on to apprenticeship.
2. Enter directly into apprenticeship.

Pre-employment programs provide you with a well-rounded foundational education in your trade so that you are well-prepared to start your career and register as an apprentice. All pre-employment programs at Assiniboine are also accredited with Manitoba Apprenticeship trades. Whichever way you choose, both ways lead to obtaining your designation as a certified journeyperson.

Training for a certified journeyperson varies from one to five levels, depending on the trade. For each level, you spend about 80% of your time learning from your employer; the other 20% is short-term technical training at college.

Choosing a trade program will take you on a career path that promises to be both rewarding and challenging. So, roll up your sleeves and let's get to work.

For more information, visit Apprenticeship Manitoba at manitoba.ca/tradecareers.

Assiniboine offers the following apprenticeship programs:

- ▶ Agricultural Equipment Technician
- ▶ Automotive Service Technician
- ▶ Carpenter
- ▶ Construction Electrician
- ▶ Gasfitter "B"
- ▶ Heavy Duty Equipment Technician
- ▶ Industrial Electrician
- ▶ Plumber
- ▶ Pork Production Technician
- ▶ Power Electrician
- ▶ Truck Transport Mechanic
- ▶ Welder

Student Supports

WE'RE HERE FOR YOU!

STUDENT SUCCESS ADVISORS

Student Success Advisors help students achieve their goals by providing them with support, referrals and information in-person, virtually, by email or phone.

A Student Success Advisor can meet with you to discuss your academic and career plans and provide information to make a successful transition to college. They can also provide information about college programs and courses, the admissions process, financial assistance, housing, daycare and more.

studentservices@assiniboine.net | 204.725.8723
assiniboine.net/studentsupports

ACCESSIBILITY/ DISABILITY SERVICES

Assiniboine is committed to fostering a welcoming culture that facilitates the inclusion and integration of students with disabilities within the college community. We are committed to removing and preventing barriers to the full academic participation of students with permanent or temporary disabilities.

Students are responsible to make the college aware of their disability-related needs and cooperate with the college in order to develop and implement academic accommodations that uphold essential academic requirements and standards.

Request for Services Form available at
assiniboine.net/servicerequest.

LIBRARY SERVICES

The friendly Library staff are happy to assist you at all college locations, both in-person and virtually, during library hours. They offer support with academic skills like research, finding library materials, using AI tools, searching and evaluating online information, APA citation and addressing academic integrity and copyright issues. Online resources, including tutorials, research databases, streaming videos and eBooks, are available anytime through our website. Additionally, you can use traditional library materials such as books, journals/magazines and DVDs to support your studies. If you need an item not in our collection, ask about free interlibrary loan access.

The central library is located at the Victoria Avenue East campus in Brandon, with a branch at the North Hill campus. Enjoy our quiet work and study areas on campus, including bookable group study rooms.

Learning Curve

Empowering students with personalized academic support for success in learning, work and life.

Our learning strategists and student academic aides support you to find effective ways of learning. We encourage active learning and collaborate with you to find strategies that make sense in your life. We provide referrals to student success advisors, the library and other resources as you work towards meeting your academic goals.

Whether online or in-person, our knowledgeable and friendly team can help you:

- ▶ Study less and learn more – learning strategies, note-taking, goal setting
- ▶ Improve your test results – test/exam prep, study skills, memory techniques
- ▶ Get better at math – foundational math refreshers, program-specific content
- ▶ Do more with your time – organization, time management
- ▶ Manage your stress – mindfulness training, test anxiety, relaxation techniques
- ▶ Develop your writing skills – APA support, proofreading, effective writing techniques
- ▶ Work with technology – computer support (e.g. Microsoft Office Suite, assistive technology)

If you're looking for a head start and are interested in any of the above, you don't need to wait until you are on campus. Our resources are available at assiniboine.libguides.com/lc.

You can also schedule appointments with us before classes start and book online whenever you want. Our secure booking site is open 24 hours a day, 7 days a week, 365 days of the year.

Book an appointment
acclearingcurve.as.me

Get Ready for College

There's a lot to know when starting college, but we have many services and supports to help you along the way.

BOOKSTORE

The Assiniboine bookstore is open at the Victoria Avenue East campus from 8 a.m. to 4 p.m., Monday to Friday. Here you can buy or rent new and used print or digital textbooks. There's also an opportunity to sell them back to us. Stock up on supplies and snacks to study with friends and grab a comfy sweatshirt for that long study session ahead. You can cut down on exam jitters when you know we've got you covered with notebooks, pens, pencils and calculators. You can also show off your school spirit with a t-shirt, coffee mug, backpack or socks.

PARKING/TRANSIT

For students studying at campuses in Brandon, a transit bus pass (U-Pass) is included in their student fees. This pass is available at the Students' Association office at the Victoria Avenue East campus. Students attending our Winnipeg campus receive 20% off the City of Winnipeg's regular transit fares.

If you are driving to school, parking is available on a first-come, first-served basis. Some campuses offer paid scramble parking lots, while others have free scramble parking lots.

CHILDCARE

If you are looking for childcare, the Assiniboine Early Learning Centre at the Victoria Avenue East campus in Brandon is licensed for 56 children, ranging from three months to Kindergarten age. The centre is open weekdays from 7:30 a.m. to 5:30 p.m. and offers a hot lunch program, as well as two healthy snacks every day.. Students and staff of Assiniboine campuses in Brandon are given priority; however, space is not guaranteed.

In Dauphin, Parkland Campus Kids Inc. is licensed for 28 pre-school children and 12 infants. The centre is open weekdays from 7:30 a.m. to 5 p.m. and offers a hot lunch program, as well as two healthy snacks every day. Students attending classes at Parkland campus get preferred access for their childcare needs.

HOUSING

At Assiniboine, while we do not offer on-campus housing, we have compiled valuable resources to help you find comfortable and convenient accommodations. Whether you're looking for a local rental or shared housing, we're here to help provide resources to ensure you have a smooth transition to campus life.

Online Info Session

Learn about student supports, financial aid and awards and getting settled

Financial Aid & Awards

Don't let education costs hold you back. Apply for financial aid and awards—you may be eligible for support from multiple sources.

SCHOLARSHIPS AND BURSARIES

This includes entrance awards for first-year students, as well as bridging awards for second year students. Scholarships can be awarded based on a variety of criteria, including academic achievement, school or community involvement and athletics. Bursaries are awarded primarily on the basis of financial need. Apply early to your program to maximize your eligibility for awards.

More than \$1 million in scholarships and bursaries for students in full-time programs.

GOVERNMENT STUDENT AID

Provincial and federal student aid programs offer student loans, grants and bursaries. Loans remain interest-free for six months post-graduation.

OTHER FUNDING OPPORTUNITIES

Explore other available sources of financial aid. Find out about disability-related funding, Indigenous sponsorships, Tuition Waver program and more!

RESP & RRSP

The Government of Canada's Lifelong Learning Plan allows you to withdraw amounts from your Registered Retirement Savings Plan (RRSP) to finance full-time training or education for you or your spouse or common-law partner.

STUDENT LINE OF CREDIT

Many banks and credit unions offer a student line of credit, providing students with a pre-approved borrowing limit. Interest is paid only on the borrowed amount, with repayments starting after graduation. This option is useful for students ineligible for government aid due to income or program length, offering a simpler application process.

Need further guidance?
Join us for an online information session to learn more. To view dates and register, visit assiniboine.net/infosession

COUGARS PRIDE

Cougars men's and women's volleyball, soccer, futsal and curling teams play in the Manitoba Colleges Athletic Conference against other post-secondary institutions in the province. Our women's hockey team plays in the American Collegiate Hockey Association against schools in the Northern United States.

You must be a full-time student at Assiniboine to play for the Cougars. Assiniboine provides travel, meals, accommodations and athletic apparel to our student athletes.

For more information on Cougar Athletics, visit assiniboine.net/athletics or contact our Athletics Manager at cougars@assiniboine.net.

Empowering Your College Experience:

**MEET YOUR
STUDENTS' ASSOCIATION**

The Assiniboine College Students' Association is dedicated to your needs. Our Students' Association Council works hard to ensure we voice relevant student perspectives, provide representation on college committees and engage with student projects. We strive to deliver quality services that address the specific needs of students and to ensure there's engagement opportunities and programming for students outside of classes to enhance the student experience.

SERVICES

- ▶ Leadership training opportunities
- ▶ Student health and dental insurance
- ▶ U-Pass free bus transit (Brandon students)
- ▶ PEGGO bus transit discounts (Winnipeg students)
- ▶ Paw Pass, student discount program
- ▶ Advocacy and appeal support
- ▶ I.M. Well's Student Assistance Program
- ▶ Peer Support Program

...and much, much more!

ENGAGEMENT OPPORTUNITIES

- ▶ Students' Association Council
- ▶ Student committees
- ▶ Student clubs and social opportunities
- ▶ Professional development opportunities

...and more!

Learn more at accstudents.com or find us on:

26% of domestic graduates from Assiniboine in the 2023-24 academic year were Indigenous.

Indigenous Student Supports

Our team offers a wide-range of support and services to assist students along their post-secondary journey.

First Nation, Métis and Inuit students should feel welcome, safe and have a sense of belonging. We work closely with student success advisors from every school and program to guide students along their academic journey. In addition, we liaise and coordinate with community resources available to support student wellness. We act as a resource for all students and faculty in their efforts to acquire a true understanding of Indigenous cultures and ways of knowing.

All students are encouraged to access our services and participate in events on campus, such as:

- ▶ Indigenous Student Welcome
- ▶ Fall Feast
- ▶ Holistic, proactive advising and support
- ▶ Elder and Knowledge Keepers' program
- ▶ Family events
- ▶ Cultural celebrations, activities and teachings
- ▶ Peer mentoring and role models
- ▶ Our Journey: Student Success Celebration
- ▶ Traditional Knowledge and Teachings

Visiting Elders and Knowledge Keepers are available at all campuses and community programs. They represent Dakota, Lakota, Ojibway, St'at'imc, Cree and Métis nations and provide guidance, teachings, historical information, traditional knowledge and support to all students.

Although our Elders are not always present on campus, they will meet with students anytime there is a request. Meeting with an Elder may be as informal as a casual visit or can include cultural or spiritual teachings and guidance at your request.

CULTURAL CENTRES

Cultural centres provide comfortable, welcoming environments for students to relax and mingle. It is an ideal place to visit with Elders, Knowledge Keepers, the Indigenous Affairs team and fellow students, study, or relax between or after classes.

PEER MENTORING PROGRAM

The Indigenous Peer Mentoring Program pairs new and returning First Nation, Métis and Inuit students to assist with the transition to post-secondary learning.

Students participate in cultural activities, one on one and group mentoring, study groups and sharing circles.

Meet new people, navigate and access college and community supports, build communication and relationship skills and help other students embrace their culture!

Admission Requirements

CERTIFICATES AND DIPLOMAS

English is the language of instruction at Assiniboine. All applicants educated outside of Canada, or a country not on the test-exempt list, are expected to meet the English language proficiency requirement.

Please visit assiniboine.net/elip for more information. Advanced diplomas require a prior post-secondary credential. For more information, visit assiniboine.net/advanced.

All programs listed above are offered in Brandon, MB. Additional location options are noted where applicable.

1. Available at the Parkland campus in Dauphin, MB
2. Available at the Centre for Adult Learning in Brandon, MB
3. Available at the Winnipeg campus in Winnipeg, MB
4. Available at the Portage campus in Southport, MB
5. Programs with competitive entry.

Note: The information listed in this table is subject to change; check each program's webpage for the for the most up-to-date information.

Centre For Adult Learning

Open the door to a world of exciting careers by upgrading your skills, completing your high school diploma or entering into one of our integrated programs.

Take courses that suit your schedule! Assiniboine has two Centres for Adult Learning—one in Brandon at our Victoria Avenue East campus and one in Dauphin at our Parkland campus. Both offer two intakes a year; September and January.

The Centre for Adult Learning is a supportive and inclusive environment dedicated to helping adult learners achieve their educational goals. Our programs are designed to accommodate your busy schedules and diverse learning styles by offering a variety of class times. Whether you are looking to upgrade your high school courses to meet admission requirements for college or university programs or earn your high school diploma, our instructors and staff are here to support you every step of the way.

- ▶ Mature Student High School (MSHS)
- ▶ MSHS - Additional Credits (upgrading for high school graduates)
- ▶ Integrated Comprehensive Health Care Aide (graduate with a MSHS diploma and a Comprehensive Health Care Aide certificate)
- ▶ Integrated Education Assistant (graduate with both a MSHS diploma and an Education Assistant certificate)

Free to Apply!

TAKE COURSES, TUITION-FREE!

Meet Maggie

“The staff were amazing and supportive, helping me achieve my goals. The flexibility of evening classes and adaptable coursework made it manageable with my work.”

Continuing Studies

Whether you are looking for professional development, personal enrichment or a new career path, Continuing Studies at Assiniboine has something for you. We offer a wide range of programming options from short courses to certificates—delivered in-person, online or in blended formats.

I'M LOOKING FOR...

SOMETHING SHORT AND SWEET TO HELP ME BUILD A PARTICULAR SKILL, PROFESSIONALLY OR FOR PERSONAL INTEREST.

Some courses Continuing Studies offers are one-off, meaning you can take a single course and it doesn't have ties to any other programming at the college. We also offer courses that are part of a larger program, which can be taken independently (e.g. Entrepreneurship, American Sign Language, Home Inspection, etc).

A FULL PROGRAM TO HELP ME LAUNCH INTO A NEW CAREER.

We offer programs that are designed to enhance your skill set, whether you're currently in a career (but need to learn new skills) or seeking out a new one (and want to change things up). The part-time format of our programs makes it easier to fit education into your busy schedule. You get the flexibility to earn and learn. Our program selection includes, but is not limited to, Administrative Assistant, Bookkeeping and Prairie Horticulture.

FLEXIBILITY TO LEARN ONLINE.

Continuing Studies meets you at home to expand your skills and knowledge where and when you can get the most from your learning. Alongside our academic partners, Ed2Go and UGotClass, we offer learners the chance to explore a range of educational opportunities online, including self-paced, hybrid and short courses and credential programs.

Agriculture & Environment

Certificates and Diplomas

AGRIBUSINESS TWO-YEAR DIPLOMA

Immerse yourself in one of Canada's largest industries. This comprehensive program will help you develop a strong foundation in the business of agriculture. Grow your skills in agronomy, sales and marketing, communications, customer service, research, finance, office management, livestock and computer applications.

CAREER OPPORTUNITIES

Grain companies ▶ seed and fertilizers providers ▶ banks and credit unions ▶ livestock supply outlets ▶ agricultural equipment dealers ▶ government agencies ▶ agronomy ▶ cooperatives

assiniboine.net/agribusiness

FOOD PROCESSING (ANIMAL PROTEINS) EIGHT-MONTH CERTIFICATE

Gain the specialized skills for all aspects of meat cutting, including processing and packaging. Learn all aspects of the trade, including nutrition, safety, tools, workplace values and essential communication skills. Enjoy a newly built, modern teaching lab with all the trimmings. Develop skills in curing and smoking for all types of animal protein, including poultry, beef, pork, goat and lamb. Gain hands-on retail experience in an on-campus retail store front.

CAREER OPPORTUNITIES

Abattoirs ▶ specialty meat operations ▶ large scale processing plants ▶ supermarkets and retail

assiniboine.net/foodprocessing

HORTICULTURAL PRODUCTION NINE-MONTH CERTIFICATE

Focus your interests on three key sectors: fruits and vegetables, greenhouse production and nursery. Participate in pioneering research projects and help find ways to improve greenhouse management and food production.

CAREER OPPORTUNITIES

Greenhouses and nurseries ▶ horticultural organization ▶ research production ▶ weed sciences

assiniboine.net/horticultural

LAND AND WATER MANAGEMENT TWO-YEAR DIPLOMA

Your passion for the outdoors makes you a great candidate for a career in natural resources. This exciting program brings together natural resources, technology and the environment in an agricultural context. Learn about the environment, evaluate its health and become a positive role model in this era of agricultural and industrial expansion.

CAREER OPPORTUNITIES

Compliance (conservation) ▶ land use planning ▶ water quality and quantity management ▶ environmental consulting ▶ wildlife management environmental health and safety ▶ watershed districts

assiniboine.net/landandwater

Advanced Diplomas

Requires a previous diploma or degree.

AGRICULTURE EIGHT-MONTH ADVANCED DIPLOMA

Expand your business knowledge into the field of agribusiness. This program offers courses in agronomic topics such as soil fertility and crop pest management, as well as business and technology topics relevant to the industry.

CAREER OPPORTUNITIES

Agriculture ▶ agronomy ▶ sales and service finance ▶ livestock ▶ marketing ▶ management research ▶ precision agriculture

assiniboine.net/agadvanced

DIGITAL AGRICULTURE TECHNOLOGY TWO-YEAR ADVANCED DIPLOMA

Gain hands-on skills in agronomy, crop production and precision agriculture. Master data manipulation to create interactive maps and dashboards for industry success.

CAREER OPPORTUNITIES

Technician/technologist in automation ▶ control system design ▶ electronics design ▶ mechanical design ▶ robotics ▶ manufacturing ▶ product development ▶ instrumentation engineering

assiniboine.net/digitalag

GEOGRAPHIC INFORMATION SYSTEMS EIGHT-MONTH ADVANCED DIPLOMA

Solve problems using the newest mapping technologies in a range of disciplines. Use geographic information systems (GIS), remote sensing and global positioning systems (GPS) to map variations in land, water, vegetation and nutrient conditions. Learn to analyze data, incorporate related information and translate it into practical applications.

CAREER OPPORTUNITIES

Surveying ▶ remote sensing ▶ GIS ▶ cartography ▶ photogrammetry ▶ government ▶ utilities ▶ mapping software & app development ▶ agriculture ▶ forestry ▶ criminology ▶ architecture engineering

assiniboine.net/gis

SUSTAINABLE FOOD SYSTEMS NINE-MONTH ADVANCED DIPLOMA

Help research different greenhouse models and find out how to improve food security in cold climates. Learn leading-edge approaches to food production through greenhouse operations, fruit, vegetable and agronomic crop production, plant breeding, pest-management, plant propagation and nutrient management. Work closely with our faculty on current projects aimed at addressing food related issues in our country.

CAREER OPPORTUNITIES

Food security ▶ innovation in food production at the local, national or international level ▶ private sector ▶ government ▶ First Nations' organizations ▶ research

assiniboine.net/sfs

In May 2024, 21 students from Assiniboine's Edwards School spent two weeks in Urbana, Italy, delving into Italian food and agriculture. This unique 'learn by doing' college experience allowed them to immerse themselves in the authentic flavors and colours of Italy.

Business & Office

Meet Tamara

“The networking opportunities available allow us to connect with potential future employers.”

Certificates and Diplomas

Learn all aspects of public safety, including the criminal code of Canada, conflict management, interviewing and investigating. To be successful, you must be able to balance academic studies, physical training and participate in team activities.

CAREER OPPORTUNITIES

Municipal, regional, provincial or Indigenous police services ▶ Canada Border Services Agency ▶ sheriff's office ▶ correctional facilities

assiniboine.net/publicsafetyadvanced

Meet Constable Ravyn

"I want to spend my career as an officer, whether on patrol or in different units. I can't imagine pursuing any other career."

Public Safety (Advanced Diploma), Class of '23

Technology

Certificates and Diplomas

CIVIL TECHNICIAN ONE-YEAR CERTIFICATE

Develop your problem-solving skills through drafting, surveying and computer-aided design; build a solid foundation of basic civil engineering skills using Computer Assisted Drafting (CAD). Learn to design different areas of infrastructure including roads, sidewalks, watersheds and drainage systems. Acquire skills in third angle project standards, 3D modelling and producing architectural drawings for a residential project. Upon graduation, go directly into the workforce or transfer to civil engineering programs across Manitoba, including our Civil Technology (Municipal Engineering) program.

CAREER OPPORTUNITIES

Engineering and architectural firms ▶ manufacturers ▶ construction and development companies ▶ inspection testing agencies ▶ material suppliers ▶ departments within government

assiniboine.net/civiltechnician

CIVIL TECHNOLOGY (MUNICIPAL ENGINEERING) TWO-YEAR DIPLOMA

Requires completion of Civil Technician certificate.

Take your skills and knowledge to another level and experience real-world applications in research, planning, drafting and project management. This two-year diploma specialization provides students who have completed their Civil Technician certificate with an opportunity to learn about civil technology in greater detail. Learn about terrain analysis, fluid mechanics, geotechnical materials, groundwater flow and analysis, roadway design and water and wastewater piping system design—all with an emphasis on project management.

CAREER OPPORTUNITIES

Engineering and architectural firms ▶ manufacturers ▶ construction and development companies ▶ inspection testing agencies ▶ material suppliers ▶ departments within government

assiniboine.net/civiltechnology

DIGITAL ART AND DESIGN TWO-YEAR DIPLOMA

Explore new and innovative ways to merge form and function, creating designs that broaden the mind. Study composition and layout, typography, digital painting and drawing software. Learn to communicate in today's ever-changing digital world, dip into marketing and branding and put your skills to the test while working on visual solutions for real-world clients.

CAREER OPPORTUNITIES

Design firms ▶ advertising agencies ▶ game development studios ▶ in-house creative departments ▶ entrepreneurs ▶ freelance

assiniboine.net/digitaldesign

MECHATRONICS (ROBOTICS AND AUTOMATION) THREE-YEAR DIPLOMA

This program is a blend of mechanical engineering, electronics and computer science. Gain hands-on expertise to develop automated machines, specifically for the agricultural sector, drawing from these interdisciplinary technologies.

CAREER OPPORTUNITIES

Technician/technologist in automation ▶ control system design ▶ electronics design ▶ mechanical design ▶ robotics ▶ manufacturing ▶ product development ▶ instrumentation engineering

assiniboine.net/mechatronics

MEDIA AND COMMUNICATIONS TWO-YEAR DIPLOMA

Craft powerful messages through audio or visual productions. Produce a live news broadcast, run Assiniboine's own CJ-106 FM radio station and learn how to tell compelling stories that reflect the world around us. Get a solid foundation in film, television, multi-platform journalism and radio production that you can build on.

CAREER OPPORTUNITIES

Media production houses ▶ news outlets ▶ film companies ▶ radio stations ▶ in-house production teams of large companies ▶ audio-visual companies ▶ live event venues ▶ entrepreneurs ▶ freelance

assiniboine.net/mediacommunications

NETWORK ADMINISTRATION TECHNOLOGY TWO-YEAR DIPLOMA

Study in cutting-edge electronic and computer lab facilities. Learn to analyze, troubleshoot, repair, install and provide technical support for computer systems and networks. Acquire the skills to be able to manage network routers, install and upgrade hardware and software and develop internet applications. You have the option to write industry-standard certifications such as A+, Linux+, Network+, MCTS, MCITP, CCNA and CCENT.

CAREER OPPORTUNITIES

In-house IT department (e.g. school divisions, hospitals, large corporations, etc.) ▶ IT service companies ▶ network support and management ▶ system administration

assiniboine.net/nat

WEB AND INTERACTIVE DEVELOPMENT TWO-YEAR DIPLOMA

Study emerging visual technologies that extend, replace and enhance our realities (virtual, augmented and mixed reality applications). Learn the fundamentals of programming, both the back-end and front-end development of websites, as well as mobile app development. Create and customize the delivery of web content on desktop computers and mobile platforms.

CAREER OPPORTUNITIES

Web development companies ▶ online marketing agencies ▶ large or small game development studios ▶ educational software companies ▶ entrepreneurs ▶ freelance

assiniboine.net/interactivedevelopment

Trades

Manitoba has 55+ designated apprenticeship trades and Assiniboine is proud to partner with Apprenticeship Manitoba to offer many of them.

Certificates and Diplomas

APPLIED BUILDING CONSTRUCTION SIX-MONTH CERTIFICATE

Develop the practical skills you need to create excellent work. Learn about hand tools, precise measuring and cutting and how to create what you envision in your mind's eye. Gain the basic knowledge to build projects from simple shelving to a single-family dwelling.

CAREER OPPORTUNITIES

Residential or commercial construction ► contracting companies ► material merchandiser ► prefabrication centres ► maintenance companies

assiniboine.net/appliedbuilding

APPLIED ELECTRICAL INSTALLATION SIX-MONTH CERTIFICATE

Gain the entry-level skills industry is seeking. This program will provide a base to build a career in the electrical trade. Upon successful completion, you will be ready to start an apprenticeship in the electrical industry and begin working toward journey person certification.

CAREER OPPORTUNITIES

Electrical contractors ► construction ► maintenance companies ► public utilities ► wholesale suppliers

assiniboine.net/appliedelectrical

APPLIED PLUMBING INSTALLATION SIX-MONTH CERTIFICATE

Concentrate on plumbing and pipe fitting, while learning about drain, water and venting systems, water treatment, fire sprinkler systems, water and sewer. Instructors use industry-relevant tools and equipment with an emphasis on safety and protection of the environment.

CAREER OPPORTUNITIES

plumbing and heating contractors ► industrial piping contractors ► public utilities ► wholesale suppliers ► fire sprinkler installers ► water and waste water treatment facilities ► maintenance companies

assiniboine.net/appliedplumbing

**AUTOMOTIVE TECHNICIAN
NINE-MONTH CERTIFICATE**

Take your ability to problem solve and turn it into a career in the automotive service industry. Develop basic shop skills as you learn about electrical systems, engines and power trains. Repair and service cars and light-duty trucks. Gain industry-based knowledge in a hands-on environment where you will work on live equipment while building your confidence in customer service.

CAREER OPPORTUNITIES

Dealerships ► repair shops ► sales ► automotive component parts

assiniboine.net/automotive

**CARPENTRY AND WOODWORKING
NINE-MONTH CERTIFICATE**

Learn all the basics of building a single dwelling house. Acquire skills in stair building, cabinet making and finishing and concrete pouring, while completing training in safety and scaffolding. Make industry connections and become career-ready with the practicum at the end of this program.

CAREER OPPORTUNITIES

Residential and commercial construction ► contracting companies ► material merchandiser ► prefabrication centres ► maintenance companies ► cabinet making ► facilities

assiniboine.net/carpentry

**CONSTRUCTION ELECTRICIAN
NINE-MONTH CERTIFICATE**

Find exceptional learning experiences in our modern electrical shop and acquire advanced skills in wiring and blueprint reading. Gain real industry experience and be career-ready after completing the practicum at the end of this program.

CAREER OPPORTUNITIES

Electrical contractors ► construction companies ► maintenance departments of industrial companies ► public utilities ► wholesale supply houses ► entrepreneur

assiniboine.net/ce

**HEAVY EQUIPMENT TECHNICIAN/
AGRICULTURAL EQUIPMENT
TECHNICIAN/TRUCK AND
TRANSPORT MECHANIC
NINE-MONTH CERTIFICATE**

Develop your skills in servicing, diagnosing and repairing of agricultural, heavy duty and transport equipment. Hands-on experiences include class time in a modern shop where you will work on live equipment.

This program, which includes a practicum, offers you the opportunity to receive credit towards Level 1 in one of three trades. Upon completion, choose between Heavy Duty Equipment Technician, Agricultural Equipment Technician, or the Truck and Transport Mechanic apprenticeship program.

CAREER OPPORTUNITIES

Dealerships ► repair shops ► service management ► heavy duty or agricultural companies ► component parts

assiniboine.net/heaveyequip
assiniboine.net/agtech
assiniboine.net/transportmech

**PIPING TRADES
NINE-MONTH CERTIFICATE**

Acquire knowledge in more than just plumbing with this well-rounded pre-employment program. Develop your skills in blueprint reading, plumbing systems, heating, refrigeration, sheet metal and water treatment. Learn in a modern shop with up-to-date equipment. Your three-week practicum allows you the opportunity to gain industry experience before you graduate.

CAREER OPPORTUNITIES

plumbing and heating contractors ► industrial piping contractors ► public utilities ► wholesale suppliers ► fire sprinkler installers ► water and waste water treatment facilities ► maintenance companies

assiniboine.net/piping

**POWER ENGINEERING
TWO-YEAR DIPLOMA**

Certification in 3rd and 4th class power engineering provides opportunities for advancement in industry. Spend time in the classroom, as well as in industry gaining steam time and work experience. Exceptional learning experiences include rebuilding and tearing down pumps, pipe threading and an introduction to welding and electrical components.

CAREER OPPORTUNITIES

Water treatment plants ► hospitals ► government agencies ► school divisions ► production plants ► building complexes

assiniboine.net/powerengineering

**WELDING
FOUR-MONTH CERTIFICATE**

Gain the skills needed for high-quality welding work. This comprehensive four-month program focuses on the safety, theory and practical aspects of oxyacetylene, shielded arc welding, gas tungsten arc welding and special processes. A three-week work practicum and general fabrication training are included in this hands-on program. Train in all aspects of welding, so you can be job ready.

CAREER OPPORTUNITIES

Manufacturing and rebuilding ► construction agriculture ► oil ► railways ► mining ► welding and repair shops ► aerospace

assiniboine.net/welding

**Canerector
Foundation
Awards**

Supporting students as they pursue careers in skilled trades.

Assiniboine International

We welcome hundreds of students from around the globe every year to study here!

International students benefit from a wide range of supports to ensure they have a rewarding and valuable student experience at Assiniboine. From our comprehensive new student orientation, to our student success advisors, to our knowledgeable and passionate instructors, we support student success.

Many of our certificate, diploma and advanced diploma programs are available to international students. A Regulated International Student Immigration Advisor (RISIA) can answer your questions related to study permits and work eligibility. We also offer an English for Academic Purposes program where we prepare you with English language training, academic preparation and cultural orientation if you do not meet English Language Proficiency admission requirements.

Assiniboine International staff are located at our Victoria Avenue East campus and are here to help you at every stage of your student experience.

You've got mail (and a free gift!)

Fill out this form, tell us your interests and we'll mail you a personalized package with a free gift.

spend a day

**DISCOVER HOW ONE DAY
CAN SHAPE YOUR FUTURE**

Our Spend a Day program is available from November to March for most of our 75+ certificate, diploma and post grad programs. During your day at Assiniboine, you'll be matched with a current student in your chosen program and get the chance to:

- ▶ Engage in 'Learn by Doing' classroom activities
- ▶ Meet current students and instructors
- ▶ Immerse yourself in college life
- ▶ Discover our student services
- ▶ Enjoy a complimentary lunch (on us!) for you and your host

NOT READY FOR A FULL DAY?

Connect with our recruitment team to explore our program options.

register today!

assiniboine.net/spendaday

START YOUR ASSINIBOINE Journey Here

Step 1 CHOOSE YOUR PROGRAM.

- ▶ Explore our programs and admission requirements at [assiniboine.net/experienceassiniboine](https://www.assiniboine.net/experienceassiniboine). Unsure if you meet the requirements? Contact admissions@assiniboine.net before applying.
- ▶ Attend an online program information session at [assiniboine.net/infosession](https://www.assiniboine.net/infosession) or participate in a Spend a Day for a program at [assiniboine.net/spendaday](https://www.assiniboine.net/spendaday).
- ▶ Still undecided? Reach out to our recruitment team at recruit@assiniboine.net or call 204.725.8750.

Step 2 APPLY TO YOUR PROGRAM.

Start your online application at [assiniboine.net/apply](https://www.assiniboine.net/apply). For most programs, qualified applicants are admitted on a first-qualified, first-served basis.

Submit the following to apply:

- ▶ Online application
- ▶ \$95 application fee
- ▶ Official transcripts

For competitive entry programs, additional documentation is required. Check your program's webpage for full details.

Step 3 BECOME A STUDENT.

- ▶ We'll contact you upon receiving your application. Your application is complete when all documents are submitted.
- ▶ If you meet the admission requirements and there's space in the program, you will receive an acceptance letter via email.
- ▶ Pay your non-refundable tuition deposit by the deadline in your acceptance letter. Follow up with any other required documents (e.g., final transcripts if you're still in grade 12) as outlined in the acceptance letter.
- ▶ For competitive entry programs, your application will be assessed and you'll be contacted with further information.

WELCOME TO Assiniboine!

Keep an eye out for important emails and information from us, but rest assured, you've done your homework. Now, sit back and relax—we'll see you when classes start!
