### 2. **KNOW HOW TO LOG ON TO THE COLLEGE NETWORK**

As a registered student, you received an email from the Registrar's Office providing important information about your registration, fees and payment options, multifactor authentication, student orientation, parking, login information for MyACC, your Assiniboine network account, and your college email. Note: **If you have not received this email**, you may not be registered and may not have access to the college network. For questions related to your registration, email [registration@assiniboine.net](mailto:registration@assiniboine.net).

#### **Multifactor Authentication (MFA)**

Assiniboine Community College requires all students and staff to use an additional method to verify identity when accessing college systems, this is known as [multifactor authentication \(MFA\)](#). MFA adds an extra layer of security to protect you, your personal information and college systems from unauthorized access and phishing attacks.

In order to access any program on the College's network, including MyACC, you are required to:

1. Download the free DUO Mobile app on your own mobile device and follow the enrollment steps outlined in the video on the MFA webpage, visit [assiniboine.net/mfa](https://assiniboine.net/mfa). Note: You will only do this when you first attempt to access our college system. Do not delete the app after, you will need it for every time you login to Assiniboine services.

**OR**

2. Purchase a YubiKey, costs vary by type and are available at the Bookstore. It is important to know the type required for your device.

For more information on multifactor authentication visit, [assiniboine.net/mfa](https://assiniboine.net/mfa).

### **MyACC**

**MyACC** allows you to view **MyClass Schedule**, financial account, current and past grades, evaluate your progress in your program, your profile (name, address etc.), **make on-line payments**, set up a payment plan (eligible programs only), change your address, view tax information, request a transcript, etc. **Note: Class schedules may be modified up to and including the first day of classes, please check your schedule regularly for updates.**

Refer to your schedule on MyACC for the date, time and location of your courses; your term dates can be found on the page of your respective location as follows:

Welcome to the Comprehensive Health Care Aide (CHCA) program!

Do you have what it takes to help those who need it most? Learn practical skills to care for patients and to communicate in a clinical setting. Help patients with their well-being and assist in managing their health care environment.

Support people who require help with their own care and who may have trouble with mobility, feeding and communication, as well as other needs. Be job-ready through diverse practicum placements and hands-on experience.

The Comprehensive Health Care Aide program will give you opportunities to practice in a wide variety of health care settings. Your education will emphasize skills that future employers are looking for, including assisting with activities of daily living, meal and mobility assistance, and observation and reporting of patient conditions.

Upon graduation, you will be an important part of a health care team. You will provide much-needed personal support and services to the sick, disabled, elderly and chronically ill.

A certificate as a Comprehensive Health Care Aide can open the door to jobs for you in hospitals, personal care homes, acute and extended care, doctor's offices, private care facilities, mental health settings and home care.
