

# Services for Students

Assiniboine helps students achieve success by providing guidance, support, encouragement, advice, information and assistance. We strive to provide a warm and friendly environment where students feel comfortable raising questions or concerns.

While many students make a smooth transition to college on their own, some may benefit from additional supports. Assiniboine's goal is to help students plan for a successful college experience.

## DO YOU HAVE...

- ▶ High school marks below 60%?
- ▶ Previous difficulty in a college or university program?
- ▶ Learning challenges?
- ▶ Difficulty seeing or hearing?
- ▶ A medical or mental health condition that makes it harder for you to learn or participate?
- ▶ Concerns about managing your time as a student?
- ▶ Questions about how to balance college with family and work responsibilities?
- ▶ Financial issues or concerns?
- ▶ Concerns about how long it has been since you last attended school?
- ▶ Concerns about living in a new community or adjusting to college?

If anything on this checklist applies to you, we encourage you to contact a student success advisor or the associate registrar to discuss your options further.
