Multifactor Authentication (MFA)

Assiniboine College requires all students and staff to use an additional method to verify identity when accessing college systems, this is known as multifactor authentication (MFA). MFA adds an extra layer of security to protect you, your personal information and college systems from unauthorized access and phishing attacks.

In order to access any program on the College’s network, including Assiniboine Connect, you are required to:

1. Download the free DUO Mobile app on your own mobile device and follow the enrollment steps outlined in the video on the MFA webpage, visit assiniboine.net/mfa. *Note: You will only do this when you first attempt to access our college system. Do not delete the app after, you will need it for every time you login to Assiniboine services.*

OR

2. Purchase a YubiKey, costs vary by type and are available at the Bookstore. It is important to know the type required for your device.

For more information on multifactor authentication visit, assiniboine.net/mfa.

Total Supply and Tools Costs = $798 for the Welder program and if a student wants to do CWB tests, and purchase other equipment an additional $680 would be required.

Disclaimer: Assiniboine will not be liable/responsible for promoting any tool company over another. It is the student’s responsibility for pricing their own tools.
