

Assiniboine
College

Graduation

JUNE 13, 2025

Information For Guests

PETERS SCHOOL OF BUSINESS AND RUSS EDWARDS SCHOOL OF AGRICULTURE AND ENVIRONMENT CEREMONY

- 9:15 a.m.** Guests are seated (east side of Westoba Place).
- 9:25 a.m.** Piper pipes in the Platform Party.
- 9:30 a.m.** The Class of 2025 is announced;
graduate procession enters.

CENTRE FOR ADULT LEARNING, SCHOOL OF HEALTH & HUMAN SERVICES, SCHOOL OF NURSING AND SCHOOL OF TRADES CEREMONY

- 1:45 p.m.** Guests are seated (east side of Westoba Place).
- 1:55 p.m.** Piper pipes in the Platform Party.
- 2 p.m.** The Class of 2025 is announced;
graduate procession enters.

GOWN RETURN & PHOTOGRAPHS

Graduates must return their gowns and hoods at the end of the ceremony; the cap and 2025 tassel are a memento of the day for graduates to keep.

All guests may join their graduates in the Manitoba Room after the ceremony.

Decorated areas for photographs are available.

OTHER INFORMATION

2025 Graduation videos are produced by Westman Communications Group. To purchase a copy, please contact WCG TV—email wcgstv@westmancom.com (preferred) or call 204.717.2611.

USB Stick with the program: \$30

Digital Download: \$20

Make sure to include **#AssiniboineGrad** on Instagram and Twitter so we can check out your photos from the day.

FOR BOTH CEREMONIES

Guests rise as the graduate procession enters and remain standing for O Canada.

Please refrain from applause until the presentation of each program is complete.

Guests rise as the graduates leave their seating area.

Livestream partner for today's graduation ceremony

Watch online at assiniboine.net/graduation

Valedictorian

AIDYN PEARCE

Aidyn Pearce is graduating from the Civil Engineering Technology program, ending a chapter marked by leadership, academics, and global experience.

A past Governor General's Academic Medal recipient and Canada-Wide Science Fair finalist, Aidyn has consistently demonstrated a passion for learning and innovation. He has represented Canada on the international stage through the International Air Cadet Exchange and participated in academic trips to Italy and conferences on sustainability through Colleges and Institutes Canada (CICan).

Aidyn's commitment extends beyond the classroom—he is a licensed pilot, volunteer, and takes interest in 3D CAD modelling, representing the college at 2 provincial skills competitions.

Aidyn plans to continue his education in Civil Engineering at Lakehead University with the goal of contributing to Canada's civil and aerospace industries. He extends thanks to his instructors, classmates, friends, and family whose support and encouragement helped make this journey meaningful. Aidyn looks forward to the future with ambition, curiosity, and the desire to push boundaries in every field he enters.

Valedictorian

CHRISSA DIONA C. BAYABAY

Chrissa Diona C. Bayabay, known to many as Chrissa or Issa, came to Canada from the Philippines in Winter 2023 to start a new chapter as an international student. Today, she graduates with distinction, earning a Business Administration Diploma specializing in Human Resource Management.

She also has a background in Financial Management and previous experience working in the banking industry back in the Philippines. But Chrissa's journey is about more than academics or career, it's a story of perseverance, sacrifice, resilience, and commitment to others. While studying full-time, she also worked part-time and volunteered whenever she could. Whether welcoming new students, lending a hand at campus events, or giving her time to support others. Chrissa found ways to give back to the College and the community.

One highlight of her student journey was representing Assiniboine College as one of the HR students at the 2024 CPHR Conference in Winnipeg. Outside of campus, she is an active member and volunteer of the Westman Filipino Community. She has also participated in community focus groups, where she contributed insights on newcomer needs and suggested initiatives to support immigrants in Brandon. What many people don't see is that throughout this entire journey, Chrissa was doing all of these while being away from her daughters in the Philippines - her greatest source of motivation and strength. That personal sacrifice and her firsthand experience as an international student fueled her drive and deeper empathy for fellow students and newcomers.

To give back, she continues her commitment to assisting students and supporting projects for academic success and settlement by working at Assiniboine International. Her transition from an international student to permanent resident, along with her family, through the MPNP pathway reflects her determination and commitment to making Brandon their home. Her student journey was challenging, but one of the most fulfilling chapters of her life.

Governor General's Academic Medals

The Governor General's Academic Medal is awarded for academic excellence to the student who achieves the highest overall average upon graduation from a diploma program. First awarded in 1873, it has become the most prestigious award a student in a Canadian educational institution can receive. The Governor General continues to award this medal to encourage scholastic excellence and recognize outstanding students across the nation.

NORVIC TOLENTINO

Norvic exemplifies the qualities we value in the nursing program and achieved the highest overall GPA of 4.39. He not only demonstrated academic excellence but also showed a strong commitment to personal growth and the support of others. As a mentor in the School of Nursing Peer Mentorship Program, he actively guided fellow students. He contributed meaningfully to the student association by helping organize events that enriched the student experience.

His interpersonal skills and consistently positive work attitude are true assets to the nursing profession. During his nine-week senior practicum at Grace Hospital's Medicine Unit (3 North), staff and the unit manager reported that Norvic consistently demonstrated compassion and professionalism in every patient interaction. He was also noted for his respectful and collaborative attitude within the healthcare team.

Congratulations, Norvic Tolentino, on this remarkable achievement! This medal is a testimony of your outstanding academic excellence, strong work ethic, and exceptional interpersonal skills. Wishing you continued success and all the best in the exciting journey ahead!

KAYLA COOL

Kayla's determination to succeed includes the drive to understand, in detail, all material covered as demonstrated by her comments and the questions she asks. Her success can also be attributed to her excellent attendance record, class participation, comprehensive study habits and research. Kayla participated as a rural representative of the Student Association.

Kayla will be a lifelong learner. She is always willing to learn both in class and on practicum. While on practicum, Kayla demonstrated a caring and empathetic attitude.

Congratulations Kayla on your success in the nursing program and all the best in your nursing career!

PAYTON MURRAY

Payton Murray has consistently demonstrated excellence in her academic work, continually raising the bar for herself and embracing feedback as a tool for ongoing improvement. Her commitment to learning is rooted in a deep sense of responsibility toward the children she will serve in her profession. Rather than resting on high grades, she uses each success as a stepping stone to further growth.

In the classroom, Payton leads by example. Her peers look up to her for both her work ethic and her approachable demeanor—often seeking her guidance, which she always offers with genuine kindness and a smile. She is known for her punctuality, outstanding attendance, and unwavering dedication.

Beyond academics, Payton contributed to campus life as a valued member of the Assiniboine Cougars Hockey Team for two years, exemplifying teamwork, discipline, and school spirit. She is a kind and thoughtful student whose presence has had a positive impact on both her classmates, teammates, instructors, and the broader college community.

Lieutenant Governor's Silver Medal Awards

Students awarded the Lieutenant Governor's Silver Medal are nominated by any combination of three staff and students, and are selected based on academic and technical ability, participation in college and/or community activities as well as having good character and personality.

CAROLINE DUBOIS

Carpentry and Woodworking

"Caroline has volunteered for different activities, such as hosting Spend a Day guests and being an instructor for youth to teach them how to build birdhouses. In both cases, she has shown leadership, positivity and excitement to help the college. Whether she was taking students on tours around the campus or teaching them in the shop, she was always willing to give of her time to teach youth woodworking skills and hoping to pique their interest in the carpentry field."

- *Colten Gawryluik, Student, Carpentry and Woodworking*

"Caroline is described by peers and instructors as hardworking, reliable and incredibly supportive. She even organized a retirement party for a valued carpentry faculty member – an example of her thoughtfulness and team spirit. Whether it's offering guidance to a classmate or pitching in behind the scenes at college events, her positive attitude and genuine care make her an asset to our community."

- *Alyssa Desrochers, Student Success Advisor, School of Trades*

"Caroline exemplifies the very best of our student community through her exceptional academic performance, tireless college involvement and unwavering character. She is not only a leader among her peers but also a shining ambassador for trades education and our institution.

Beyond her impressive academic record, Caroline is deeply engaged with both the college and the broader community. She took a leadership role as the primary instructor for our Career Trek students, helping young learners explore trades in a supportive and inspiring environment. Caroline has also volunteered at the Young Women's Conference, serving as a role model for women in trades. She also led try-a-trade demonstrations at the Trades Summit, showcasing carpentry skills to prospective students. She has served as an active member of the

Supporting Equity in Trades Committee, promoting inclusion and diversity. She also helps future students get a glimpse of life in the program by volunteering as a Spend a Day host throughout the year.

Caroline radiates positivity and kindness, greeting everyone on campus with a smile and a sincere “hi, how are you doing?” Whether it’s in the workshop or the student lounge, she goes out of her way to include others, fostering a culture of community and belonging. One instructor shared, “Caroline has the most positive attitude I have ever seen from a student and it’s contagious – she’s helped build a welcoming and supportive classroom for everyone.”

NATALIA DACQUI LOUREIRO

Land and Water Management

“As a classmate of Natalia’s in the Land and Water Management program, I have had the opportunity to observe her strong academic abilities and positive attitude. Natalia consistently demonstrates a solid understanding of our coursework and is always willing to assist us, her classmates, with challenging topics. Her involvement in the Spend a Day program highlights her initiative, as she guided prospective students and shared valuable insights about our academic environment.”

- *May Du, Student, Land and Water Management*

“Natalia demonstrates the values of service, leadership and integrity. Her ability to balance academic achievement, family responsibilities and extensive community involvement is a testament to her resilience, dedication and overall character.

Natalia’s impact is felt through the steady and meaningful contributions she makes every day. She doesn’t seek recognition and always conducts herself with heart and purpose. Her dedication across so many community efforts is impressive, but it’s her spirit that truly leaves a lasting impression.

She has inspired me to give more freely, to face challenges with optimism and to live with a greater sense of purpose and responsibility. She is a deeply committed individual and a true inspiration.”

- *Dustin Bauer, Research Assistant,
Russ Edwards School of Agriculture & Environment*

“Natalia has actively volunteered for several Assiniboine affiliated activities. From helping with Nature Conservancy Canada projects and judging for the Western Manitoba Science Fair to being integral in assisting with administration and registration, and also organizing and working the Assiniboine booth at the Manitoba Association of Watersheds annual conference, Natalia has shown pride and enthusiasm in representing Assiniboine.

Additionally, Natalia serves as the representative for the Russ Edwards School of Agriculture and Environment with the Assiniboine College Students’ Association. In this role, she advocates for students’ needs, voting on issues such as health insurance, budgeting, supporting wellness programs and solutions to student transportation challenges. She also helps organize inclusive campus events like Spirit Week, International Women’s Day and Cultural Week – fostering a vibrant, supportive college community.

Beyond her academic pursuits, Natalia is deeply engaged in extracurricular and community activities that reflect her passion for environmental sustainability and leadership. Through her volunteer work with the Lake Winnipeg Foundation, where she helps monitor water quality, she applies her education to real world environmental challenges. She also played a key role in organizing Brandon’s 2024 Earth Day events and volunteered at the 2025 Envirothon event, reinforcing her commitment to environmental stewardship.

As an instructor, I found teaching truly enjoyable with her in the classroom. She brought energy, curiosity, and a genuine desire to learn to every class. Her eagerness to engage with the material not only elevated her own learning but also motivated those around her—including myself. I have no doubt she will excel in whatever path she pursues and make a meaningful impact in her field.”

- *Patricia Malcolm, Instructor,
Russ Edwards School of Agriculture & Enviro*

Congratulations and Welcome to the Assiniboine Alumni Association

Please remember to stay connected with the Alumni Association.

You can volunteer at events, share your successes in our college magazine or join us by taking a seat on the Alumni Association Board of Directors.

We are proud of our graduates and the contributions they make within their communities in our province and across the country. We can't wait to hear about the successes of the Class of 2024! Once again, congratulations on behalf of the Alumni Association Board of Directors.

Your fellow alumnus,

Kevin Bailey

President

Assiniboine Alumni Association

Class of '85 - Business Administration

Message from the Assiniboine College President

On behalf of all of us at Assiniboine College, I extend my heartfelt congratulations to the class of 2025 on reaching this significant milestone. Your dedication, hard work, and resilience have brought you to this day, and we are incredibly proud of your achievements.

As you open the next chapter of your lives, remember that the skills and knowledge you have gained here are just the beginning. Embrace the opportunities and challenges ahead with confidence and courage. Continue to strive for excellence and make a positive impact in your communities and beyond.

We hope you will remember your time at Assiniboine fondly and recall your college days as an important step toward the great things you will accomplish in the future.

A handwritten signature in black ink, appearing to read 'M. Frison', with a stylized flourish at the end.
