

PRAIRIE HORTICULTURE

Centre of Continuing Studies

**DISTANCE
EDUCATION
CERTIFICATE**

Learn about horticulture with Prairie Canada conditions in mind. Either select one course to broaden your knowledge, or earn your certificate. There are four specializations, which include Fruit and Vegetable Production, Greenhouse Crop Production, Landscapes and Agriculture, and Nursery Crop Production.

Why choose the Prairie Horticulture Program?

First of it's Kind

The Prairie Horticulture Certificate program is the first distance horticulture program that is designed specifically for the prairie provinces. This program provides skills and training for owners, managers or employees of horticulture businesses as well as anyone with an interest in horticulture.

Career Opportunities

This program provides skills and training for owners, managers or employees of horticulture businesses as well as anyone with an interest in horticulture. Careers in the field of horticulture focus on nursery crop production, landscaping, arboriculture, greenhouse crop production, fruit production and vegetable production.

Program Begins

VARYING DATES

Graduation

UP TO 5 YEARS

ADMISSION REQUIREMENTS

A complete Manitoba Grade 12 or equivalent

English Language Proficiency. English is the language of instruction at ACC. All applicants educated outside of Canada or in a country not on the test exempt list are expected to meet the English language proficiency requirement. See assiniboine.net/elp for more information.

PROGRAM FEES

Three western Canadian educational institutions - Assiniboine Community College, the University of Saskatchewan and Olds College, have partnered to develop and deliver this program. Course fees vary depending on which institution is running it.

See assiniboine.net/programs for individual course costs. All fees are subject to change without notice. Costs do not include textbooks or course materials.

PROGRAM CONNECTIONS

ACC is proud to partner with professional organizations, post-secondary institutions and high schools.

Assiniboine Community College has partnered with three western Canadian educational institutions, the University of Saskatchewan and Olds College to develop and deliver this program.
