PROGRAM INFORMATION SHEET

TESOL TEACHER TRAINING

ACE TESOL CANADA CERTIFICATE

Specifically designed for those wishing to teach English language programs, this program will provide you with the tools, strategies, skills and knowledge needed to be a successful teacher either in Canada or abroad.

1. Bookend your learning

The TESOL Teacher Training course gives you practical, hands-on experience blended with online learning. You will apply and develop the teaching techniques taught in the classwork through in-class teaching demonstrations, extensive feedback and an on-site practicum.

2. A+ training

Offers highly experienced, professional and energetic trainers to facilitate and motivate participants' learning.

3. Go global

The number of TESOL opportunities continue to increase as the use of English as the primary language used in business, science and technology spreads globally. There are opportunities worldwide in private language schools, elementary, secondary schools and post-secondary education.

4. Learn by doing

This course places a strong emphasis on practical teaching skills and uses a blend of online and in class work along with group work and teaching demonstrations, as well as class and online discussions.

ADMISSION REQUIREMENTS

English Language Proficiency English is the language of instruction at ACC. Applicants should have a university degree from an English-speaking university. The program will accept applicants without a university degree; however, these applicants will not receive TESL Canada certification until completing a university degree.

All applicants educated outside of Canada will be required to have a minimum score of 7 in each IELTS skill category in order to receive the ACE TESL Canada Certificate.
