

Senior Project Manager – Campus Development

Full Time Regular

Competition# 44 – 19/20

(Excluded)

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. The college is looking to hire a Senior Project Manager to assist in advancing a number of capital projects and initiatives.

Be Passionate.

Reporting to the President, you will be an experienced and innovative Project Manager who will lead the development and expansion of college facilities. You will be passionate about all stages of capital construction projects, from the conceptual stage through planning, approval, design, construction and occupancy. You will define organizational requirements for new and expanded College facilities and will develop and manage resulting capital construction projects.

Take Initiative.

You will be experienced in reading and interpreting plans and have the ability to relate them to construction progress. You will be known for your ability to bring projects to successful completion by working with stakeholders while conforming to shifting priorities, demands and timelines. You will be able to motivate others. You will have achieved success by employing superior communication and interpersonal skills, working to encourage others contributions by implementing modern project management techniques, effective prioritization and the ability to execute tasks under pressure.

Deliver Results.

To deliver results, you will have relevant education and experience in architecture, engineering and project management in facilities by implementing planning and construction management processes and procedures. You will have a thorough knowledge of estimating, budgeting and scheduling practices with excellent knowledge of costing, building codes, construction laws, construction materials and methods, sustainable building practices, including LEED and Green Building policies.

This competition will remain open until filled.

Assiniboine Community College campuses are located on traditional territories of Treaty No.1 and Treaty No.2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
