INDIGENOUS LINE TRADES PRE-PLACEMENT TRAINING PROGRAM

Manitoba Hydro has been consistently recognized as one of Manitoba's Top Employers!

Why? Great Benefits

- Three weeks of accrued paid vacation after the first year, working toward a maximum of seven weeks paid vacation
- Competitive salary and benefits package
- Pension and working conditions that provide for a balanced approach to work, family life and community
- Nine day work cycle which normally provides every other Monday off

Manitoba Hydro is a leader among energy companies in North America, recognized for providing highly reliable service and exceptional customer satisfaction. Join our team of Manitoba's best as we continue to build a company that supports innovation, commitment and customer service.

We are seeking Indigenous people interested in training for a career as a Power Line Technician.

The Pre-Placement Training Program is a six month program that provides Indigenous candidates with on the job training and academic upgrading to meet the minimum requirements to compete for a position in the Power Line Technician Training Program. During your training, you will be stationed at various locations throughout the province.

There is no guarantee of ongoing employment at the completion of the Pre-Placement Program.

Qualifications:

Potential candidates must:

- be a high school graduate;
- possess and maintain a valid Manitoba Class 5 driver's licence (intermediate or full) and be eligible for upgrade;
- be willing to work in all types of weather;
- be willing to work at heights, in trenches, excavations and confined spaces;
- be capable of learning proper climbing techniques;
- have a good physical coordination; manual dexterity, and be able to lift heavy objects from a variety of physical positions while working in a bucket truck or on the pole in climbing gear;
- have a mechanical aptitude;
- have good hearing;
- be able to work as a member of a team and adapt to changing tasks and locations;
- have good interpersonal and communication skills;
- be able to work autonomously and make decisions in stressful situations;
- have basic computer skills.

All applications must include the following information:

- current resume and cover letter
- high school and any post secondary school transcripts or training certificates
- proof of Indigenous ancestry

As part of the selection process, candidates will be required to write standardized aptitude tests that assess how well a candidate's abilities match the requirements of the job. Candidates will also participate in a 1-day pre-employment skills assessment and trade orientation session, which provides candidates with the opportunity to demonstrate the ability to follow instruction, transfer knowledge, and work at heights. It also gives the evaluation group an opportunity to see you perform hands-on power line trades-related tasks. Candidates selected for this session will be required to provide a current driver's abstract.

The email address you submit in your application profile will be used as the main form of correspondence throughout the recruitment process. Please monitor your email inbox on a regular basis.

Documents can be scanned and attached to your online profile or faxed to 204-360-6120 referencing the Indigenous Line Trades Pre-Placement Program recruitment.
