

INTERNATIONAL STUDENT APPLICATION GUIDE

CHOOSE A PROGRAM

For a list of programs available to international students, go to assiniboine.net/international. If you need help choosing a program, contact international@assiniboine.net to speak to our international student services advisor.

All prospective students are encouraged to learn as much as possible about their program and career choice.

If you are already in Canada, contact us about the possibility of:

1. A program information session (see assiniboine.net/infosession for upcoming dates and locations), and/or
2. The *Spend A Day* program, a chance to attend classes for a day with a current student and see a realistic view of the program (sign up at assiniboine.net/spendaday or contact spendaday@assiniboine.net).

CHECK THE ADMISSION REQUIREMENTS

Each program has specific academic and English language proficiency admission requirements, as noted in the college calendar, brochures and on the website. Visit assiniboine.net/admissionrequirements for a complete list.

Admissions staff will assess your transcripts for equivalence to the published Manitoba entrance requirements.

Some programs may require applicants to meet additional requirements for the purposes of applicant selection. Refer to specific program admission requirements for more details regarding the competitive entry requirements.

ENGLISH LANGUAGE PROFICIENCY

English is the language of instruction and communication at Assiniboine. Each program sets its own English language proficiency requirements. All applicants must meet or exceed the level of English language skills as outlined in the program's admission requirements. Applicants must demonstrate ability in English that will meet the demands of classroom instruction, discussions and written assignments.

If an applicant was not educated in an English test-exempt country, they must provide supporting documentation to show they meet one of the acceptable conditions. Applicants will not be admitted until the requirements have been met. See assiniboine.net/elp for the full list of acceptable conditions.

WHEN TO APPLY

For programs starting in September (see "Available Programs"):

Recommended deadline for applicants **without** a valid Canadian study permit: **May 1**

Recommended deadline for applicants **with** a valid Canadian study permit: **August 15**

Assiniboine cannot guarantee that seats will be available in your first program of choice when you apply. Most programs can accommodate only a limited number of students, so early application is strongly recommended.

The applicant qualifies for admission to a program only when they have met all admission requirements and conditions of acceptance.

For cohort programs, dates will differ. These programs receive many applications, so early application is strongly recommended. See "Available Cohorts" at assiniboine.net/programs/international-cohorts.

HOW TO COMPLETE THE APPLICATION SUCCESSFULLY

Also see "How to Apply" and "FAQs" under assiniboine.net/international. Applicants are responsible for the completeness and accuracy of their application. Any applicant submitting falsified or forged documents will be referred to the appropriate authorities.

Program Selection

Write the program(s) you are applying for, campus location and program start date. You can list two program choices. If your first choice is full, we will consider your application for your second choice.
