Assiniboine Community College (ACC) strives to create Exceptional Learning Experiences for its students. The college places a high priority on student success and is committed to building an environment that creates and supports a high level of student engagement.

Be Passionate. If you are enthusiastic about your trade and feel you are ready to share your knowledge with others this might be the right fit for you. Students enjoy the hands-on experience which goes along with our “learn by doing” philosophy. We prepare students to either enter the Automotive Technician profession as well as help them to complete their journey to certification as a Red Seal Automotive Technician by engaging them in a variety of intriguing lessons in a broad mix of industry fundamentals.

Take Initiative. Instructors at ACC provide exceptional learning experiences for students. We achieve this through in-class and on-line lectures, in-shop demonstrations and in the development and revision of current industry curriculum. Our instructors provide leadership and mentoring to our students.

Deliver Results. To deliver the essential program results, you will have a Red Seal Journeyman Certificate in the Automotive Technician trade. You will have several years of broad automotive technician experience including a sound knowledge of engine repair, power trains, electrical and electronic systems and general equipment repair. You will have excellent communication and organizational skills with the ability to work effectively in a team environment. Experience teaching in an adult environment and teaching in an on-line format is preferred.

ACC will also be establishing an eligibility list for future Instructor, Automotive Technician positions. An eligibility list is an inventory of qualified candidates who can fill term positions of varying lengths.

This competition will remain open until filled

Assiniboine Community College is committed to ensuring that its policies, practices, and systems are free of barriers, emphasize the value of diversity, and promote full participation to ensure dignity, respect, and equal access for all employees. Requests for accommodations can be made at any point during the recruitment process by contacting 204.725.8729 or humanresources@assiniboine.net.

Assiniboine's campuses are located on the traditional territories of Treaty No. 1 and Treaty No. 2, and the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
