

KEEP COMMUNAL AREAS & ITEMS

Clean

Throughout the college, lunch rooms, micro-kitchens, and items like microwaves, vending machines and water coolers are used by staff and students. Do your part in keeping these spaces clean and safe.

- » Clean and disinfect communal items before and after use
- » Keep your distance while using communal areas/items and do not congregate
- » Eat only in dedicated areas and wash hands before and after eating
- » Use a barrier, such as a paper towel, when possible on high touch points
- » Dispose of garbage immediately
