The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to women, Indigenous people, visible minorities and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

To be considered for this competition you must submit your resume and complete an application form (see link below). The selection board will rely only on information provided in this form to determine whether a candidate will be invited for further assessment.

Introduction

Manitoba Agriculture and Resource Development is seeking passionate and energetic individuals to fill Aquatic Invasive Species Watercraft Inspector positions across Manitoba. Positions are based in Winnipeg, Selkirk, Grand Rapids, The Pas, Swan River and Eriksdale.

Conditions of Employment:

- Must be legally entitled to work in Canada
- Must possess and maintain a valid full stage Manitoba class 5 drivers license
- Must be physically capable of performing the duties of the position including bending, kneeling and lifting up to 22 kgs (50 lbs)
- Must be able to work outdoors for extended periods of time in various weather conditions
- Must be willing and able to work weekends, statutory holidays, and overtime as required

Qualifications:

Essential:

- Strong interpersonal skills with the ability to work in a team environment
- Experience working with the public, stakeholders and interest groups
- Effective verbal communication skills
- Effective written communication skills
- Strong attention to detail with a high level of accuracy
- Strong organizational and time management skills including the ability to work under pressure
- Ability to work independently under minimal supervision

Desired:

- Education, experience and/or training related to environmental issues
- Experience driving a 1/2 ton or 3/4 ton truck
- Experience loading and hauling trailers

Duties:

The Aquatic Invasive Species Watercraft Inspector plays an integral role in enforcing Manitoba's Aquatic Invasive Species Regulation, particularly inspecting and when needed, decontaminating watercraft and water-related equipment, communicating with and educating the public about the Province's Aquatic Invasive Species Program; and promoting and educating the public about the stewardship practices they must employ to prevent the introduction and spread of aquatic invasive species in Manitoba.
