

MATURE STUDENT HIGH SCHOOL

INTEGRATED COMPREHENSIVE HEALTH CARE AIDE

Gain skills for entry into the health care field. You'll graduate with both a high school diploma and a Comprehensive Health Care Aide certificate. Experience focused one-on-one instructor attention, with a schedule that fits your needs in either our day or evening program.

Why should you choose the Mature Student High School with Integrated Comprehensive Health Care Aide certificate?

- 1 Double up your credentials**
Gain both a high school diploma and a Comprehensive Health Care Aide certificate. You will graduate ready to work in the health care field with the practical skills needed to have a rewarding career as a Comprehensive Health Care Aide. Mature Student High School day and evening classes begin every September and January. In Brandon, Comprehensive Health Care Aide entry is September and January; in Dauphin, entry is in January.
- 2 Designed for you**
This program has several learning options to meet your needs. We offer traditional classroom instruction with options to choose either day or evening programs or flex learning (independent study) for your Mature Student High School portion of the program. You will have the opportunity to earn dual credits that count towards both high school and college credit, provided you attain the required percentage grade.
- 3 Learn in a supportive environment**
Our supportive learning community is accentuated by student mingling areas, study areas, classrooms, computer labs and free wireless Internet. Your designated student success advisor will help you map your education and career goals. You will have regular access to a learning strategist, an Indigenous services officer, elders and tutors to support your success.
- 4 Graduate to strong job opportunities**
Find work in acute and extended care hospitals, personal care homes, private care facilities, mental health settings and home care.
