Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. The School of Business is currently seeking an Instructor, or Instructors, for its Business and Office Administration programs to teach various accounting related courses, including Taxation, Financial Accounting (various levels), Corporate Finance, and Accounting Software

Be Passionate.

If you are a passionate accounting professional who is eager to share your knowledge with our students, then we want to hear from you. You will be an engaging and forward-thinking instructor, ready to inspire the next generation of accounting professionals. Enthusiasm that can be applied to classroom management, student evaluation, lesson planning, academic advising and related administrative duties is essential.

Take Initiative.

You will take initiative and ensure you provide an unparalleled student experience for our students. You will be someone who loves to communicate and is ready to share your knowledge of the Accounting profession with our students. Your comprehensive understanding of accounting will be inspirational to our students and will prepare them for the future.

Deliver Results.

You will have a relevant background in accounting that includes the appropriate post-secondary education combined with several years' experience in a complex accounting role. Having your CPA would definitely be an asset, as would experience teaching adult learners. Your excellent communication and organization skills are complemented by your ability to work effectively in a team environment.

This competition will remain open until filled.
