

Media and Communications Tool List 21-22

NOTE:

These items **DO NOT** have to be purchased for the 1st week of school and students should consult with instructors before purchasing.

Adobe Creative Cloud Student and Teacher Edition (needed for Year 1 and Year 2) is a subscription based software package that can be installed on the college's networked computers and on a home computer/laptop. Requirements state you must have institutional affiliation and at least a 1 year commitment. The cost is \$25.99 CAD per month or \$311.88 CAD per year. ****Please Note - After 12** months the cost of the Creative Cloud Subscription increases to \$38.99 CAD per month. https://www.adobe.com/ca/creativecloud/buy/students.html

Year One:

- 1 pair headphones (\$80 \$100) Over-Ear Insulated (not earbuds or on-ear)
- 1 2 TB SSD External Hard Drive \$150 \$200 (recommendations below)
- 1 8GB (or larger) Class 6 (or higher) SDHC Memory Card \$20
- Smartphone (iOS recommended for app compatibility)
- FiLMiC Pro App for Smartphones \$20.99 (one-time purchase)

Year Two:

• FiLMiC Pro App Pro Log Upgrade - \$19.99 (one-time purchase)

USB hard drive recommendations:

- Drives are available from a variety of computer and electronics stores and online
- 1 2 TB is the minimum drive you should purchase; this is the minimum required disk space for your two-year program, and will allow you to transfer large files easily
- The drive will also store all content for the portfolio that you create throughout your program, and obviously be yours to keep, to showcase your work to future employers
- SSD (Solid State Drive) is required.

If you have any of the above, please bring them with you; faculty can offer further advice during the first weeks of term if you need to purchase any of these items. If you require help with recommendations, please email <u>office.tech@assiniboine.net</u>

 Total Cost of Tools:
 Year 1 - \$640.00 (approx.) (will increase if student doesn't already own smartphone)

 Year 2 - \$350.00 (approx.)
