

# RETAIL MANAGEMENT

## Document of Achievement

Do you work in the retail industry? Are you ready to take the next step into a management position? Learn the skills required to succeed in the ever-changing global retail industry.

**1 Acquire essential knowledge**  
As a soon-to-be retail manager, you will encounter many issues from inventory delays to people problems in your day to day work; this program will teach you quick and practical techniques for dealing with a diverse range of workplace challenges.

**2 Develop your attention to detail**  
The program delves into everything from understanding new market trends to changing demographics to working with employees and suppliers. In addition to walking away with an extensive and efficient manager's tool kit, the program provides you with an opportunity to strengthen your interpersonal skills, including leadership, group behaviour and human resources management.

**3 Prepare for growth**  
Learn to excel in all aspects of a managerial position within retail. Gain the skills to manage your organization's supply chain and operations, including store layout, visual merchandising and strategic planning.

**4 Plan your season**  
Did you know retail is the largest employment sector in Canada? The industry is continuously evolving, and with this, so does the range of careers available to you. You are not limited to typical retail clothing stores; your newly acquired skills create an opportunity for you to work across a wide range of industries including fashion, grocery, home and interiors, e-commerce and technology.
