Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement.

Assiniboine's Land and Water Management Diploma program combines practical remote and classroom experiences to solve real-world problems for an in-depth education that can be applied in any number of industries. We provide students with hands-on learning through labs, field trips and lectures, and a dynamic, student-focused atmosphere of small classes and experienced faculty.

Be Passionate.

We are looking for a passionate instructor who is outstanding in their field, who can teach with confidence on the subject matter of Terrestrial Ecosystems. You will be a professional ready to contribute to producing quality programs that are responsive to Manitoba's labour market.

Take Initiative.

You will deliver highly interactive, hands-on classes where student success is the goal. You will be an engaging and forward-thinking instructor, who embraces our "learn by doing" philosophy while providing leadership and mentorship to students.

Deliver Results.

To deliver results, you will have industry experience or post-secondary education in Environmental Sciences, Natural Resource Management or another closely related discipline. Professional industry related experience and background in land and ecosystem management is preferred. You may work closely with a multidisciplinary faculty in horticulture, sustainable foods, environmental technologies, civil technology and communication engineering technology, as well as with other stakeholders in the community and the province. Post-secondary or adult teaching experience is an asset.

This competition will remain open until filled.

Please note: The College's COVID-19 Campus Access Policy puts in place rules and requirements for students, staff and others accessing Assiniboine's multiple campuses to prove they are fully vaccinated or undergo routine testing to show a negative COVID-19 test.

Assiniboine Community College is committed to ensuring that its policies, practices, and systems are free of barriers, emphasize the value of diversity, and promote full participation to ensure dignity, respect, and equal access for all employees. Requests for accommodations can be made at any point during the recruitment process by contacting 204.725.8729 or humanresources@assiniboine.net.

Assiniboine's campuses are located on the traditional territories of Treaty No. 1 and Treaty No. 2, and the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis Nation.
