

CIVIL TECHNICIAN

**1-YEAR
CERTIFICATE**

Ready to design the future? Develop your problem-solving skills and strengthen your career through drafting, surveying and computer-aided design skills.

Why should you choose career as a Civil Technician?

1 Build your community

Learn the basics of civil engineering technology in this certificate program. Be a part of designing the future: bridges, highways, dams, parks, and sewer systems are just a few of the systems that affect our lives. You will develop skills in computer-aided design (CAD), land and construction surveying, drafting fundamentals, and basic design concepts for residential construction.

2 Bridge theory with experience

Through lab work and projects, you will be able to design infrastructure projects for the cities and towns you live in. Whether you want to invent a new solution or research existing solutions for longstanding problems, you will find that your practical experience can make life better where you live.

3 Draft solutions

If you are a natural problem solver and passionate about finding hands-on solutions, this is the program for you. Small class sizes, dedicated instructors and industry connections prepare you for an exciting career as a civil technician.

4 Kick it into high gear

As a graduate, you will have plenty of employment opportunities. We prepare you to be influential contributors to the civil engineering field. You will graduate with both technical and practical experience and be prepared to work in either public or private industry. Consider continuing your education in this field with Assiniboine's two-year Civil Technology diploma, specializing in Municipal Engineering.

CAMPUS/DELIVERY OPTIONS

Victoria Avenue East Campus

AVAILABLE INTAKES

September

WORK PLACEMENT(S)

16 weeks

CAREER OPPORTUNITIES

Graduates find employment with consulting engineering and architectural firms, construction and development companies, inspection and testing agencies, manufacturers, fabricators and material suppliers, as well as with various departments of municipal, provincial and federal government services.

ADMISSION REQUIREMENTS

- » A complete Manitoba Grade 12 or equivalent
- » English 40G/40S or equivalent
- » Pre-Calculus or Applied Mathematics 40S or equivalent with a minimum mark of 65%

English is the language of instruction at Assiniboine. All applicants educated outside of Canada or in a country not on the test exempt list are expected to meet the English language proficiency requirement. See assiniboine.net/elp for more information.

TECHNOLOGY REQUIREMENTS

Programs at Assiniboine have certain technology requirements. Students require access to computer devices at home and may be required to bring these on campus when instructed. Refer to assiniboine.net/tech for more detailed information about the requirements for this program.

UNIQUE LEARNING EXPERIENCES

- » Emphasis on practical, applied learning
- » Work on AutoCAD
- » Gain surveying experience

GRADUATION REQUIREMENTS

To graduate with a Civil Technician certificate, students must successfully complete 76.5 academic credits and 12 practical credits. Graduates are eligible to continue with their studies in the Civil Technology - Municipal Engineering specialization diploma program at Assiniboine.

The minimum passing grade for each course is indicated on the course outline.

CONNECTIONS

Graduates of Assiniboine's program may be eligible for advanced standing towards Red River College's Civil Engineering Technology diploma program.

PROGRAM FEES (DOMESTIC ONLY)

Tuition: **\$4,550** Course fees: **\$1,650**
Students' Association fees: **\$540**
Estimated textbooks, tools and supplies: **\$1,350**

All fees are estimated and subject to change without notice. For international program pricing, if/when applicable, please visit assiniboine.net.

COURSES 2022-23

| NUMBER | COURSE TITLE | CREDITS |
|-----------|---------------------------------|---------|
| MATH-0093 | Algebra (Civil) | 6 |
| COMP-0200 | AutoCAD 1 (Civil) | 6 |
| COMP-0201 | AutoCAD 2 (Civil) | 6 |
| SCIE-0085 | Chemistry 1 (Civil) | 3 |
| SCIE-0086 | Chemistry 2 (Civil) | 4.5 |
| PEDV-0356 | College Foundations | 0 |
| COMM-0138 | Communications (Civil) | 3 |
| ENGR-0004 | Construction Materials/Safety | 6 |
| COOP-0014 | Co-op Work Placement - CVLTC | 12 |
| DRFT-0011 | Drafting Fundamentals (Civil) | 9 |
| ENVR-0020 | Environment, Ethics and Society | 3 |
| WRKP-0035 | General Safety Training | 0 |
| MATH-0041 | Geometry (Civil) | 6 |
| MECH-0068 | Mechanics (Civil) | 6 |
| COMM-0139 | Report Writing (Civil) | 3 |
| ENGR-0003 | Strength of Materials 1 | 3 |
| ENGR-0001 | Surveying 1 | 6 |
| ENGR-0009 | Surveying 2 | 6 |
| HLTH-0047 | WHMIS 1 | 0 |
