

Finance Advanced Diploma

(one year (8 months) post-graduate advanced diploma)

Please read and think about the following information below carefully to decide whether this program is a good fit for you. This information may change and is simply intended to offer you a helpful perspective on what you will experience in this program.

Orientation: Typically, during the last week of August (**Required** for all students).

Program Dates: Two 4 month terms: September through December and January through April.

Scheduled Breaks: Last week of December and first week of January (two weeks); first week of March (one week). Check your registration for exact dates.

Post-Graduation

Work Permit length: Up to 8 months.

Schedule: Monday to Friday as early as 8:00 a.m and as late as 6:00 p.m.

Campus Locations: 1430 Victoria Avenue East, Brandon, Manitoba. See campus information [here](#).

What You'll Study:

You will choose 10 courses (depending on schedule) in areas like the following:

- Advanced software
- Business law
- Canadian investment funds
- Corporate finance
- Financial planning/personal finance
- Indigenous history/issues
- Insurance
- Professional selling/consumer behavior
- Statistics
- Taxation

These higher-level courses will enhance your critical thinking, research and analytical skills. You will focus on effective, accurate communication and service to clients.

See course descriptions on the [Finance program](#) page under 'Courses and Costs'.

How You'll "Learn By Doing"

Students will participate in a variety of activities such as the following:

- pair and group discussions,
- projects in the form of case studies or simulations,
- software program use to generate data and reports,
- inquiry based learning, and
- other "real world" learning tasks.

You will prepare to write industry exams. If successful, you will be licensed to sell mutual funds and/or insurance in Canada.

Interact with and learn from community business leaders and instructors with strong industry connections. Hone your skill set through collaborative group work and networking with potential employers.

What You'll Need to Do to Graduate

- Attend all classes and activities. Arrive on time every day. Participate fully and ask questions.
- Ask instructors or advisors for help when you need it, and ask for help early!
- Purchase all required books and supplies.
- This is a "Bring Your Own Device" program. See information about this [here](#).
- Work co-operatively in teams and behave respectfully towards all students, staff and partners.
English only.
- **No cell phones** during class activity.
- Practice all skills until you can demonstrate "mastery". Complete all homework, review class notes, turn notes into study questions, plan your study schedule, and meet with a partner or group to practice tasks.
- To graduate, you must pass all courses **and** have a grade point average (GPA) of C (60%). Passing many courses with only a D (50%) can make your GPA too low to graduate. Re-testing is generally not an option. If you fail a course, it may not be available again until the following year.
- All English skills (reading, writing, listening, speaking) are important. Evaluation will include tests, group projects, presentations, public events and research papers.
- Complete all evaluations.
- **Do your own work.** Cheating, not referencing sources of your ideas, or using other people's work could result in failing grades/suspension.

How Assiniboine College Can Help You

- Trained instructors will share their knowledge and experience from the industry, and will give you frequent and specific feedback on your progress.
- Learning Commons staff available to assist with study skills, like test-taking and writing papers.
- Student advising staff can offer support for personal issues.
