

LEGACY GALA DINNER

*March 17, 2022
Sponsorship Opportunities*

The Assiniboine Community College Foundation Legacy Gala Dinner is an annual event that raises money in support of our students.

Set against the backdrop of our stunning Manitoba Institute of Culinary Arts heritage building, you will be treated to an exclusive eight-course menu with wine pairings at each course. Our Culinary Arts and Hotel & Restaurant Management students work together to make this evening an unforgettable event. Also included in the evening is complimentary in-town car service, provided by our polished Public Safety students.

Proceeds from this year's Legacy Gala Dinner will support financial awards for healthcare programs.

It's no secret that the efforts of healthcare workers have received well-deserved recognition through the past two years. At Assiniboine, we're proud to train those working toward these important careers.

The 2022 Legacy Gala is your opportunity to support Practical Nursing and Comprehensive Health Care Aide students who have chosen to pursue a career in this field.
