

Science Instructor, Practical Nursing (Anatomy & Physiology, Medical Microbiology) School of Nursing

Part-Time term from August 2, 2022 to March 3, 2023- Winnipeg MB

Part-Time term from December 5, 2022 to March 10, 2023- Otterburne MB

Competition # 105-21/22

Salary: \$31.07 to \$46.16 hourly

(Educational supplement: Masters \$1.45/hour, PHD \$2.89/hour)

Assiniboine Community College strives to create Exceptional Learning Experiences for our students. We place a high priority on student success and are committed to building an environment that creates and supports a high level of student engagement. We are committed to contributing to First Nation, Metis and Inuit prosperity by having the highest college participation rate in the province.

Be Passionate. We are looking for a passionate person who is skilled in the field of Anatomy & Physiology (A & P) and Medical Microbiology. Your passion will make you an engaging instructor who has the knowledge, theory and experience needed to support the learning outcomes of the program. You will be an engaging and forward thinking instructor, ready to share your knowledge with students.

Take Initiative. We are looking for someone who loves to communicate, wants to share their knowledge and is committed to creating exceptional learning experiences for our students. Using a variety of teaching methods you will lead your students through the discovery of anatomy, physiology, and medical microbiology to prepare them for their practical nursing profession. You'll take initiative to ensure you manage your classroom effectively while providing timely student evaluation.

Deliver Results. Your combined relevant education and experiences have prepared you to deliver results for this program. A degree directly related to Medical Sciences and/or Biological Sciences is required, Master's preferred. You will be a strong communicator with good organization and time management skills. Your well-developed technical skills, particularly in Microsoft Word, are essential. The understanding of adult learning processes and learning styles, experience in developing course materials and instructing adults from diverse backgrounds is highly desirable. You will have a valid class 5 Manitoba driver's license and the ability to travel when required in order to meet the needs of the program.

This competition will remain open until filled.

Assiniboine Community College is committed to reconciliation and ensuring that its policies, practices, and systems are free of barriers. Assiniboine values diversity and promote full participation to ensure dignity, respect, and equal access for all employees.

*Assiniboine welcomes applications from all qualified candidates who are **legally entitled to work in Canada**, including Indigenous peoples, persons of all abilities, members of visible minorities, all genders and sexual orientations, and all other groups protected by the Human Rights Code.*

If you are interested in this career opportunity, please forward your resume and cover letter to:
