

ACCOUNTING (WITH CO-OP)

1-YEAR
ADVANCED
DIPLOMA

This unique advanced diploma is comprised of our eight-month Accounting program and a paid, four-month co-op work placement. Gain confidence when you work side-by-side with accounting professionals for sixteen weeks during tax season. Set yourself up for success with this unique blend of classroom learning and work experience.

Why should you choose a career in accounting?

- 1 Set yourself apart**

Develop a deeper knowledge and understanding of accounting principles and make yourself an attractive prospect for any business or accounting firm. Work towards your completion of the prerequisites for the Chartered Professional Accountants Professional Education Program (CPA PEP) accounting designation administered by the Chartered Professional Accountants.
- 2 Provide the solution**

Help organizations and individuals manage their finances and plan for their future. This career path takes your interest in the business world and combines it with your excellent communication skills, ability to convey complex ideas in a simple manner and desire to uphold ethics. Learn how to advance in this demanding—and rewarding—career.
- 3 Chart your way**

Through a combination of required and optional courses, learn various skills needed to succeed in the accounting field. Higher-level courses enhance critical thinking skills within a business context. A four-month, paid co-operative work placement in rural Manitoba during tax season gives you real-world experience you can take with you after graduation.
- 4 A career with many paths**

Find opportunities in public accounting firms, banks, trust companies, accounting and internal auditing departments, industrial firms, federal, provincial or municipal offices, school divisions, parochial schools, tribal councils, non-profit organizations and health care institutions, as well as in owner-managed businesses as business/office managers.

CAREER OPPORTUNITIES

Graduates find employment in a wide range of challenging careers in large and small business in all sectors of the business community, including public accounting firms, banks, trust companies, accounting and internal auditing departments, industrial firms, federal, provincial or municipal offices, school divisions, parochial schools, tribal councils, non-profit organizations and health care institutions, and in owner-managed business/office managers.

ADMISSION REQUIREMENTS

- » Two-year diploma or university degree
- » Entry level accounting knowledge is required. Applicants without this will be required to take ACCT-0003 Financial Accounting 1 and ACCT-0004 Financial Accounting 2 (or equivalent) prior to the start of the program.

English is the language of instruction at Assiniboine. All applicants educated outside of Canada or in a country not on the test exempt list are expected to meet the English language proficiency requirement. See assiniboine.net/elp for more information.

TECHNOLOGY REQUIREMENTS

Programs at Assiniboine have certain technology requirements. Students require access to computer devices at home and may be required to bring these on campus when instructed. Refer to assiniboine.net/tech for more detailed information about the requirements for this program.

PROGRAM CONSIDERATIONS

Relocation to a small, rural community may be required for completion of the co-op placement. A valid driver's license and access to a vehicle is required, given the need to travel to rural Manitoba (outside of Brandon) for the co-op work placement.

UNIQUE LEARNING EXPERIENCES

- » Emphasis on practical, applied learning
- » Utilize industry-standard software programs
