

FINANCE

**8-MONTH
ADVANCED
DIPLOMA**

Hit the ground running as a licensed mutual fund representative after completing this advanced credential.

Why should you choose an advanced diploma in Finance?

- 1 Be job ready**
Industry exams are written as part of your program curriculum, and you will be licensed to sell mutual funds. Obtain credit from the Investment Funds Institute of Canada for financial planning by registering directly with the organization. Peak employers' interest with an advanced diploma that will give you the skills needed to get to work right after completing this program.
- 2 Pave the way**
Become a go-to solution provider for clients looking for financial advice. Hone your research and analytical skills and put them to good use by matching up the right opportunities for the right clientele. Everyone wants financial freedom, and you can help your customers achieve their goals.
- 3 It all adds up**
Learn everything from financial accounting to statistics to taxation. Develop skills in advanced financial reporting, auditing and business law. Higher-level courses enhance critical thinking skills and Indigenous-focused content provides perspective on Indigenous issues within a business context.
- 4 A global market**
The finance world is global and can take you anywhere. Find opportunities in the financial services' industry as personal banking officers, lending officers (retail and agricultural), investment analysts, stockbrokers, and customer service representatives.
