The Peters School of Business is seeking dynamic leaders to join our team and help shape the business leaders of tomorrow. We are looking for individuals who can bring both industry knowledge and academic expertise to our hands-on, learn-by-doing environment. Currently, we have part-time and full-time teaching positions available in Accounting, Marketing, and Human Resource Management. If you have extensive theoretical and practical experience in these areas, we invite you to apply and become an integral part of our faculty.

As an Instructor within our dynamic academic community, you will have the chance to inspire and educate the next generation of business professionals. You will be empowered to impart your expertise, foster critical thinking, and cultivate innovative approaches to solving complex business challenges.

Assiniboine Community College has been providing exceptional learning experiences that have been transforming lives and strengthening Manitoba through applied education and research for more than 60 years. ACC is committed to providing a supportive and collaborative environment where instructors can thrive professionally and personally. You will have access to cutting-edge resources, ongoing professional development opportunities, and a network of colleagues dedicated to excellence in education.

Be Passionate and Taking Initiative with these Responsibilities:

- Instruct students in a classroom and provide academic assistance during consultation hours.
- Modify and/or develop course objectives, course outlines, curricula and evaluation procedures and instruments.
- Prepare and maintain all course-related records including evaluation, attendance records, and submit information as required.
- Identify, prepare, and organize course materials and learning resources for course delivery.
- Manage the classroom environment, and, if necessary, recommend action to supervisor regarding student behaviour, including formal student disciplinary action.
- Facilitate and maintain a creative and positive learning environment which provides the opportunity for meaningful learning.
- Assist in developing timetables, program budgets, and operational plans.
- Participate in projects that support college activities and environment.
- Assist with the identification, design, implementation, and evaluation of new initiatives.
- Attend professional development activities as determined by the divisional human resource plan.

Being able to deliver results by having:

- Candidates with a **PHD or MBA** are preferred and where applicable, **CPA, CPHR** and other industry specific designations are desirable.
- Excellent communication and organizational skills with a diverse student population.
- Relevant business background that includes an appropriate post-secondary education combined with several years' experience in a business environment.
- Experience teaching adult learners would be an asset.

Join us in our mission to cultivate a new generation of business leaders who will drive positive change in the global marketplace. Together, let's shape the future of business education and empower students to reach their fullest potential.

This competition will remain open until the positions are filled.
